Report on Certificate Courses - 2017-18

Certificate Courses are a great value addition to the affiliating university curriculum. They widen the area of curriculum and strengthen the content in the curriculum. The Institution duly recognizes the key role of certificate courses in enhancing the skills of the UG students. Therefore, the College offers four certificate courses through its Jawahar Knowledge Platform (JKC), Placement and Training Cell.

Sl. No.	Name of the Course	Duration
1	Analytical skills	30-40 days
2	Communication skills	30-40 days
3	Technical skills	30-40 days
4	Soft skills	30-40 days

A set of syllabus is adopted for each course with specified objectives and outcomes, and it is taught by a qualified faculty member/trainer. During the course, 6 formative assessment tests are conducted to monitor the student progress and provide feedback for improvement. A summative assessment test is conducted for a total of 25 marks, with 20 marks as the qualifying mark. Certificates are distributed to the students who successfully completed the course and met the qualifying marks.

In the academic year 2017-18, the four certificate courses were offered twice. 71 students in two batches got enrolled into four certificate courses, two after two as per the schedule and time table. A set of syllabus is adopted for each course with specified objectives and outcomes, and it is taught by a qualified faculty member/trainer. During the course, 6 formative assessment tests are conducted to monitor the student progress and provide feedback for improvement. A summative assessment test is conducted for a total of 25 marks, with 20 marks as the qualifying mark. Certificates are distributed to the students who successfully completed the course and met the qualifying marks.

In the academic year 2018-19, the four certificate courses were offered thrice. 101 students in three batches got enrolled into four certificate courses, two after two as per the schedule and time table. During the course, blending teaching methods were adopted. Model interviews, just a minute sessions, quizzes, group discussions, debates and elocutions were conducted. In the summative assessment test, only 87 students scored qualifying marks. All the qualified students were given Certificates of Achievement.

A summative assessment test is conducted for a total of 25 marks, with 20 marks as the qualifying mark. Certificates are distributed to the students who successfully completed the course and met the qualifying marks.

In the academic year 2019-20, the four certificate courses were offered thrice. 109 students in three batches got enrolled into four certificate courses, two after two as per the schedule and time table.
