DATE WISE GPS PHOTOS

DEPARTMENT OF ECONOMICS

❖ **Poster/Chart Presentation on 29.06.2022**

I BA students prepared charts on Circular flow of Income, Measurement and concepts of national Income and explained to their fellow students. This helps students to remember the concepts and to improve their presentation skills.

❖ **CID session 4 on 29.06.2022**

Session 4 of Current Issues : Dig and Discuss (CID) conducted on the topic “**Non Fungible Tokens**”, a unit of data is stored on a digital ledger (Block chain) and can be sold and traded. It is a unique, irreplaceable token that can be used to prove ownership of digital assets such as music, artwork, tweets, memes, etc.. The value of NFT is not equal to another. Students discussed the concept, importance and risks with NFTs in the session and got familiar with NFTs.

❖ **Student Seminar on 30.06.2022**

Conducted student seminar for II BA students on the topic “Poverty Alleviation Programs in India”. Students are instructed to prepare information on allotted topics and present it in the session. Out of fourteen, eleven students presented their papers in the session. They explained the objectives and outcomes of the programs which are run by the central and state governments.
