**ANNEXURE**

| <b>Sl.No.</b> | <b>Point</b>   | <b>Clarification</b>   |
|---------------|--|--|
| 1.            | Whether appointment will be made in the same Department where his father had worked and died while in service or any other Department. | It should be in the same department as there will be vacancy or a consequential vacancy in the Department or office where the deceased worked.   |
| 2.            | Whether the G.O. does have retrospective effect.   | The G.O. would apply only to cases which have arisen on or after issue of the G.O. i.e., 27.12.1974. "Arising or a case on a particular date" would mean the occurrence of the death of the employee while in service on that date. The G.O. has no retrospective effect.  |
| 3.            | When the elder earning member is separated from the family whether the younger brother can be appointed or not.                        | The person should be given a place only in the office where his deceased father worked, provided he is qualified. This will make enquiry easy. Hence evidence of the colleagues of the deceased will be readily available. If for any reason a job is not immediately available, he will have to wait but should be accommodated in the first vacancy. |
| 4.            | From whom the certificate of "No earning member in the family" is to be obtained.  | It should not matter if a son has divided himself from the family and he is already employed. If the family is without a bread winner, one son/daughter out of the remaining or the wife may be given a job.   |
| 5.            | Instead of the approval of the Collector for appointment in the District the approval of the Head of the Department may be             | Not accepted.  |

|     | appropriate.   |  |
| 6.  | In case of non-availability of a vacancy readily, whether a temporary candidates has to be retrenched to appoint the dependent of the deceased employee.                   | The main approach is to accommodate the person in the same office mostly in posts of class-IV and L.D.Cs. In the unlikely contingency of a vacancy not being available he will have to wait for some time. The idea is not to retrench and create heart burning. |
| 7.  | Whether the concessions contemplated in the G.O. apply to the employees of local bodies such as Samithi and Zilla Parishad employees of teachers etc., who die in harness. | The concessions available under this G.O. are admissible not only to State Government Offices but also to all other establishments including Corporations, Local Bodies Panchayat Raj Bodies (Municipalities etc.) State Public Sector undertakings etc.         |
| 8.  | Whether such a candidate can be employed by passing the existing panel of the candidates.  | Panels are prepared for promotions. As the idea is to appoint him in the lowest category, this will not arise. The Employment Exchange has merely to be informed.  |
| 9.  | Whether the concession can be extended to work-charged establishment of the department.  | Since the recruitment to the work-charged establishment is required to be made through the medium of Employment Exchange the G.O. applies to the members of such establishment also.   |
| 15. | Whether an adopted child of a deceased may come under the definition of child in terms of this G.O.  | No.  |
| 16. | While the first son is in the army and the second son is not willing to work. Whether the third son can be employed.   | The clarification against point 4 above will hold good here also.  |

|     |  |  |

| 17. | Whether the rule of reservation for S.Cs. and S.Ts. or B.Cs. etc., is to be followed in respect of the appointment made under the said G.O.                      | If the deceased Government servant's son, daughter or spouse proposed to be employed do not belong to S.Cs., S.Ts., etc., and the first vacancy is a reserved vacancy the appointment need not be postponed on humanitarian grounds. But this post can be adjusted against the next open competition vacancy. Thus there will be no change in the numbers and it will only be a case of slight postponement on humanitarian grounds. |
| 18. | Whether the appointees are eligible for regularisation without further selection by the District Selection Committee.  | If a post within the purview of the District Selection Committee is filled in by a candidate under the provision of the G.O. his services cannot be regularised unless he gets himself selected by the District Selection Committee on a subsequent date.  |
| 19. | Whether the widowed daughter who is the only legal heir of a Government employee who dies in harness is also eligible for said concession.                       | Such a widowed daughter can avail herself of the concession provided she produces a certificate to the effect that she is the only heir to her parents, herein being left without any property from her husband side and that she was solely dependent on the deceased. Such a certificate should be obtained from an authority in the Revenue Department not lower rank than that of R.D.O.   |

As a measure of social security the Government issued orders in G.O.Ms.No.1005, Employment and Social Welfare, dated 27th December, 1974 providing relief to the family of a Government servant who dies in harness by appointing his son or daughter or spouse in Government service, without the medium of Employment Exchange, subject to the conditions among other things that there is no other earning member in the family. With reference to these orders several Collectors and Heads of Departments raised various points for clarification and necessary clarifications were issued in Government Memo No.529/G.1/75-8, Employment and Social Welfare dated 19th August, 1975. Later on certain representations made by members of the families of deceased Government employees, the scheme was examined with a view to provide permanent relief and orders were issued in G.O.Ms.No.687, General Administration (Ser.A) Department, dated 3rd October, 1977, in supersession of the earlier G.O. specifying the procedure for making regular appointments of the dependents of deceased Government employees, the categories of posts of which such dependents are eligible and the time within which application for appointment should be made. After

the issue of G.O. also certain points were raised regarding relaxation of educational qualifications, age for appointment and the time limit for submission of applications etc. The Secretaries to Government discussed the points at a meeting held on 2nd November, 1979 and made their recommendations. The recommendations are accepted and embodied in the annexure to this Memo along with the clarifications previously issued in Government Memo No.529/G1/75-8, Employment and Social Welfare dated 19th July, 1975 in so far as they can be adopted in G.O.Ms.No.687, General Administration (Services.A) Department, dated 3rd October, 1977 for the guidance of the appointing authorities.

The Heads of Departments etc., are requested to bring these clarifications to the notice of all appointing authorities for their guidance.

There is, however no objection to the appointment in an office other than the office in which the employee worked prior to his death. If the dependent happens to be a women it may be better in her own interest that she is provided with a job nearer to the place where she would find it secure to live. |

In case, the declaration is found defective at a later date, his/her services are liable to be terminated besides any other action would be taken under the law.   |

| 12. | Whether condition 2 in para 2 of the G.O. regarding the time limit for the submission of application for employment will apply to the dependents of Government servants who died during the period 27-10-1973 to 27-12-1974? | The application for appointment of such persons may be entertained within one year from 3.10.77 (date of G.O.Ms.No.687, of 1977).   |
| 13. | Whether a minor dependent child of a deceased Government employee can be considered for appointment?   | A minor dependent of the employee who dies in harness should not be considered for providing employment under this scheme, as there cannot be any contractual obligation between the Government and the employee who is a minor. However, in case where due to the fact that the child is a minor or he has not attained the educational qualification, it should be possible for them to ask for the relief within a reasonable time, which may be two years from the date of demise of the Government Servant. 3. Memo No.618/Ser.A/78-11, dated 17th December, 1979.

\* \* \*

In the G.O. first cited orders were issued providing permanent relief to the family of a deceased Government servant who dies in harness by appointing his son/daughter/spouse to the posts for which such dependents are eligible subject to certain conditions specified therein. After the issue of these orders certain points were raised regarding relaxation of educational qualifications age for appointment and the time-limit for submission of applications, etc. and clarifications were issued in the reference third cited. Instructions have also been issued in the U.O. Note second cited not to entertain cases which do not satisfy the criteria laid down in the said G.O.

2. There is an unfortunate tendency to treat the cases of appointment of the dependents of Government servants who die in harness with extra consideration and sympathy. Some departments are obtaining orders of Government in cases in which death had occurred prior to 27th October, 1973, there is delay in seeking employment, etc. and making compassionate appointments. This tendency is not correct. In the present day society getting a job in Government as vital and important for the economic welfare of any family, as it is to the family of a deceased Government servant. Indiscriminate compassionate appointments in the cases of

deceased Government servants who die in harness will deprive other equally deserving poor families in securing jobs.

3. The main objective in having the scheme is to see that the family of the deceased Government servant is not thrown out on the streets, immediately after his death. The purpose would be achieved only if a family could be given an alternative bread winner almost immediately. The purpose certainly is not served if years after the death of the Government servant, for a dependent is proposed for appointment. It is because of this consideration that a dead-line has been fixed beyond which rightly enough no consideration should be given. If the policy of the Government and the objective behind this policy are to be implemented with sympathy around, request for compassionate appointment in cases which violate the conditions stipulated in the scheme should not be entertained at all.

4. The Departments of Secretariat and the Heads of Departments are requested to follow the instructions issued in the references cited scrupulously and to ensure that all the appointing authorities strictly follow them.

\* \* \*

In the G.O. first cited orders have been issued that the spouse or dependent child of a deceased Government employee be appointed without the medium of employment exchange subject to fulfilling certain conditions specified therein. In clarification (1) of the instructions issued in the Memo cited it was clarified that the appointment of the spouse/child of a deceased Government employee should be in the same department as far as possible as there will be a vacancy or a consequential vacancy in the department or office where the deceased worked and that there is, however, no objection to the appointment in the office other than the office in which the employee worked prior to his death. It was added that if the dependent happens to be a woman it may be better in her own interest that she is provided with a job nearer to the place where she would find it secure to live.

2. An instance has come to the notice of the Government where certain applications from dependents of deceased Government servants for employment under G.O. cited are kept pending for want of vacancies and it was enquired whether the date of demise of the Government servants should be taken as criterion for purpose of giving priority for appointment among the applications received as on the date of filling up of the post.

3. It is not desirable to pile up such applications on the plea that there are no vacancies as the intention behind the above scheme is to provide immediate relief to

the bereaved family of a deceased Government servant who dies in harness. The appointing authorities are therefore requested to consider appointing the spouse/child of the deceased Government employees, in the posts whose pay is equal to or less than that of Lower Division Clerk in the office in which the deceased Government Employee was working or in any other office under their administrative control, if there is no vacancy in the former. While making appointments the instructions issued from time to time on this subject should also be kept in view.

**ORDER :-**

With a view to providing social security to the deserving observed members of the family of deceased Government servants who die in harness, orders were issued in the G.O. first cited enabling the appointment without the medium of Employment Exchange, of a son/daughter or spouse of deceased Government Servants to Ministerial posts of Clerks Typists and Steno-typists and other lower categories subject to the conditions specified therein.

2. Further, the Government have issued orders in the G.O. second cited that an appointment made under this scheme should be treated as a distinct category in itself not related to Employment Exchange procedure as well as General Rule 22 providing for reservation of appointments and that such appointments have no relation to rosters.

3. During the inspection of offices by the Inspecting Assistant Commissioners of the Social Welfare Department several instances are reported to have come to their

notice where vacancies meant for the Scheduled Caste, Scheduled Tribe and Backward Class candidates were filled by the dependent of deceased Government employees, who did not belong to Scheduled Caste, Scheduled Tribe or Backward Class, as the case may be, with reference to the provisions of the above G.O. The Social Welfare Department have taken the view that on account of these appointments, the Scheduled Caste, Scheduled Tribe, Backward Class candidates were denied the right of appointment to posts reserved for them according to roster guaranteed by the Constitution of India. They observed that it is unfair and wrong to allow the concessions meant for the dependents of deceased Government employees to over-ride those given to members of Scheduled Castes, Scheduled Tribes and Backward Classes. The Social Welfare Department have therefore, suggested that the dependents of deceased Government servants should not be appointed against the vacancies reserved for Scheduled Castes, Scheduled Tribes or Backward Classes unless they are themselves members of those communities and that they should however be appointed only against O.C. vacancies and if there are no O.C. vacancies, their appointments could be postponed till such vacancies occur relaxing age, qualifications, if necessary. They have also suggested as an alternative that they could be accommodated in supernumerary posts to be created for the purpose till regular vacancies arise, as according to them, the scheme of providing employment to the dependents of deceased Government employees impliedly contemplates the creation of supernumerary posts.

4. The Government consider that as a special security measure, relief to a qualified and eligible dependent of a deceased Government employee has to be afforded as quickly as possible. The Government accordingly direct that qualified and eligible dependents of deceased Government servants shall not be appointed in the vacancies meant for Scheduled Castes, Scheduled Tribes and Backward Classes unless they are members of Scheduled Castes or Scheduled Tribes and Backward Classes and they shall be considered for appointment in vacancies meant for OC candidates if they are readily available and if no such vacancies are available, they may be appointed against supernumerary posts to be created for the purpose, after waiting for the occurrence of OC vacancies for a reasonable period which may be one year from the date of applications of the dependents.

5. The supernumerary posts so created shall continue till such time a vacancy arises in the roster for OC candidates. When a regular vacancy arises in the roster the Supernumerary post so created shall automatically cease.

6. The above procedure shall also be adopted for the son/daughter/spouse of a deceased employee who belong to Scheduled Castes, Scheduled Tribes or Backward Class community and when there is no vacancy for that community as per the roster.

7. This order issues with the concurrence of Finance and Planning (Fin.Exp.HG) Department vide their U.O.No.5335/262/A2/HG, dated 8th February, 1982.

In the G.O. cited orders were issued that the spouse/son/daughter of a deceased Government servant who dies in harness may be appointed in Government service to posts of Lower Division Clerks and below without the medium of Employment Exchange subject to fulfilling certain conditions specified therein. It was subsequently clarified that the appointment of the dependents of the deceased Government servant should be in the same Department as far as possible, as there will be a vacancy or a consequential vacancy in the Department or office where the deceased worked and that there is however, no objection to the appointment in an office other than the office in which the employee worked prior to his death. servants not qualified for appointment to Government service but qualified for appointment in various State Government Undertakings/Autonomous Corporations under the concerned Administrative Department shall be considered for appointment in those institutions.

In the G.O. cited orders were issued for providing permanent relief to the deserving bereaved members of the family of the deceased Government servants by providing a job to the spouse or the dependent children of Government servants who die while in Government service, subject to the conditions mentioned therein. In the Memo. second cited, certain clarifications were issued in regard to the scope of the orders issued in the G.O. cited. In the Memo. third cited it has been made amply clear that no relaxations shall be given in the matter of implementation of the G.O. cited and indiscriminate compassionate appointments in the cases of the dependents of the deceased Government servants who die in harness will deprive other equally deserving poor families in securing jobs. Instructions were also issued not to entertain cases which do not satisfy the criteria laid down in the said G.O.

2. It has been observed that a large number of cases are still being referred by the Departments of Secretariat to this Department for relaxation of one or the other conditions mentioned in the G.O. cited for appointment of the spouse or dependent children of the deceased Government servants. The matter has again been carefully

examined by the Government. It has been considered that no application for relaxation of any of the conditions mentioned in the G.O. cited in respect of appointment of dependents of deceased Government servants to posts other than the posts in the Last Grade Service should be entertained. In the case of compassionate appointments to Last Grade Service, if the Secretaries to Government consider that relaxations are justified in some hard cases, in the conditions relating to the age for entry into the last Grade Service or in the stipulated time-limit of two years for application in the case of minor dependents or in the educational qualifications prescribed for the post in Last Grade Service for which appointment is sought for in the matter of appointment of minor children of the deceased employees they may refer deserving cases, with their recommendations to this Department. In no other case, applications for relaxation of the conditions should be entertained by the Government.

3. The Departments of Secretariat and Heads of Departments are requested to issue instructions to their subordinate authorities to scrupulously follow the above instructions and not to recommend any cases for relaxation in the matter of appointment to the spouse or children of the deceased employees other than those seeking appointments to Last Grade Service posts.

2. Instance have come to the notice of Government that certain applications put in by the dependents of deceased Government Servants for employment under the G.Os cited are kept pending for want of vacancies. It has also been brought to notice of Government that qualified dependents of

the employees of the Survey and Land Records Department could not be appointed to posts in the categories of Deputy Surveyors and Computer Draughtsman Grade-II even though the scale of pay of those posts is equivalent to that of Junior Assistant.

3. The main objective in introducing the scheme is to see that the family of the deceased Government Servant is not thrown out on the streets, immediately after his/her death. Keeping in view the above object instructions have been issued in the G.Os. second and third cited to appoint the dependents of the deceased Government Servant by creating supernumerary posts if no vacancies are readily available. The action of the Departments in keeping the application of the dependents of deceased Government Employees pending for want of vacancies is not in accordance with the spirit of the orders issued in the G.Os cited.

4. In the instructions issued in G.O. first cited it has been clearly indicated that the appointments under this scheme should be made to the categories of posts whose pay is equal to or less than that of Lower Division Clerk (i.e.) (Junior Assistant at present). There may be no objection to make appointments to the posts of Deputy Surveyors and Computer Draftsmen Grade-II under this scheme if the scales of pay of those categories are equal or less than that of the post of Junior Assistant and if the candidates are equally qualified for appointment to those posts.

5. The Heads of Departments and the Departments of Secretariat are therefore, requested to follow the instructions issued in the reference cited scrupulously keeping in view the position clarified in paras 3 and 4 above and to ensure that all the appointing authorities follow the instructions strictly without giving room for complaints in this regard.

1. G.O.Ms.No.84, General Administration (Ser.A) Department, dated 17th February, 1982..

3. From the Commissioner of Land Revenue Lr.No.N1/3577/84, dated 20th December, 1984.

\* \* \*

**ORDER:**

In the G.Os. first and second read above, orders have been issued to the effect that the qualified and eligible dependents of deceased Government servants shall not be appointed in the vacancies meant for Scheduled Castes, Scheduled Tribes and Backward Classes unless they are members of the said communities and they shall be considered for appointment in vacancies meant for other Caste candidates if they are readily available and if no such

vacancies are available, they may be appointed against supernumerary posts to be created for the purpose.

2. The Commissioner of Land Revenue in his letter third read above, has reported that the Collector, East Godavari District has brought to his notice that the persons appointed under compassionate grounds in supernumerary posts in terms of the orders issued in the G.Os first and second read above and subsequently posted to temporary schemes will face ousting or retrenchment on the principle of last come first go. In such contingencies, the very purpose of appointing the dependents of deceased Government employees to provide succour to the families is likely to be defeated since the Collector cannot continue them even on supernumerary posts which were created earlier and ceased to exist on the sanction of temporary posts as a result of which the dependents of the deceased employees have to be ousted till such time the supernumerary posts are again sanctioned by the Government. To avert such contingency the Commissioner of Land Revenue has suggested that the Government may empower the Collector to continue the dependents of the deceased Government employees in service pending sanction of supernumerary posts by Government.

3. Government examined the above suggestions of the Commissioner of Land Revenue and with a view to mitigate the hardship caused to the dependents of the deceased employees in the situations mentioned by the Commissioner of Land Revenue in para 2 above, direct that wherever a person is appointed on compassionate grounds under social security scheme against a supernumerary posts unless he is absorbed in a regular vacancy as distinct in a post sanctioned/created temporarily in connection with a scheme or for a limited purpose, the supernumerary posts may be suppressed or kept in abeyance so that it may be revived in the case of exigencies like abolition of the temporary posts consequent on the winding-up the scheme etc. All the

appointing authorities are directed to take action accordingly. Their attention is in this connection invited to paragraph 5 of the G.O. first cited.

4. This order issues with the concurrence of the Finance & Planning (F.W.) Department, vide their U.O.No.86-3/01940/450A/HG/86, dated 27th March, 1986.

\* \* \*

**ORDER:**

In the Government Memo fourth cited instructions were issued that except in the case of appointment to Last Grade Services under the scheme of compassionate appointment of dependents of deceased Government servants in no other case application for relaxation of the conditions stipulated in G.O.Ms.No.687, General Administration (Services-A) Department, dated

3rd October, 1977 should be entertained. Even in respect of appointments to last grade service only in hard cases on the specific recommendation of the Secretary to Government in the concerned Administrative Department relaxation of certain conditions could be considered.

2. In the representation fifth read above, among other things, it has been requested that the powers of relaxation contemplated in Memo. fourth read above, in each case may be allowed to be exercised by the appointing authority instead of the Government as at present, as it is resulting in delay in providing relief to the family of the deceased. It has also been requested that the dependents of deceased Government servants who are of the age of 16 years may also be given appointment orders without insisting on their attaining the age of 18 years. It has also been represented that the dependents of deceased Government employees, who have not availed of the concessions contemplated in Government Memo. fourth read above may be given opportunity fixing some time limit for entertaining applications from them.

3. Government, after careful examination, direct that:-

(1) Cases of appointment of dependents (spouse, son and unmarried daughter) of the deceased Government employees to posts included in the A.P. Last Grade Service involving relaxation of age, educational qualifications etc. as contemplated in Memo. fourth cited need not be referred to Government in future. The appointing authority is authorised to make purely temporary appointments in the above cases. The regular appointment in these cases would however, be made only after the relevant rules wherever necessary are relaxed in favour of the concerned individuals by the concerned Head of the Department.

(2) The dependents of deceased Government employees who are 16 years of age may be considered, for appointment to posts in the Last Grade Service in relaxation of rules subject to the conditions that the service rendered prior to attaining majority shall not be counted till they attain majority.

3. G.O.Ms.No.309, General Administration (SER-A) Department, dated 4th July, 1985.

\* \* \*

As per the instructions in the G.O. third cited, the benefit of compassionate appointments should be confined to the cases where Government Servants retire on medical grounds five (5) years before attaining the age of superannuation irrespective of the age of the superannuation prescribed for the posts and services.

2. It has come to the notice of the Government that appointments of the dependents of the Government employees, who retired on grounds of medical

invalidation in whose cases the condition relating to retirement 5 years before attaining the age of superannuation has not been satisfied, have been made.

3. Since the benefit of compassionate appointment has been restricted to cases where Government servants retire on medical grounds 5 years before attaining the age of superannuation, making appointments in cases where the above condition is not satisfied, is irregular and opposed to the very policy of the Government.

4. All Heads of Departments and Departments of Secretariat are, therefore, requested to follow the instructions contained in the G.Os. cited scrupulously and to ensure that no irregular appointments are made in deviation of the policy instructions on the subject. They are also requested to bring these instructions to the notice of concerned. Failure to comply with the instructions will be viewed seriously.

In the reference first and second cited a ban has been imposed on making temporary appointments in the categories of posts of Lower Division Clerks/Lower Division Accountants. 2. It is hereby clarified that the ban orders issued in the Government Memorandum cited are not applicable to appointments of spouse/children of deceased Government employees in terms of the orders issued in G.O.Ms.No.687, G.A.(Ser.A) Department dated 3rd October, 1977 as the

Ref:-G.O.Ms.No.687, General Administration (Ser.A) Department, dated 3rd October, 1977.

\* \* \*

In the G.O. cited orders have been issued for providing relief to the spouse or dependent children of deceased Government servants who die in harness while in service by appointing them in posts pay of which is equal to less than that of Lower Division Clerk subject to their satisfying the principles and conditions stipulated in the said G.O.

2. A doubt has now been raised whether or not the provisions of the Andhra Pradesh Public Employment Order, 1975 are applicable to the cases of appointments made on compassionate grounds under the aforesaid G.O.

3. The appointment of dependents of Government employees who die in harness to any post can be only by the method of appointment by direct recruitment. Therefore, the provisions of para 8 of the Andhra Pradesh Public

Employment (Organisation of Local Cadre and Regulation of Direct Recruitment) Order, 1975, apply to such appointment. As per sub-para (1) of para 8 of the said order, 80% of the posts to be filled in by direct recruitment, at any time in respect of posts mentioned therein, are reserved in favour of local candidates in relation to the local area in respect of such cadre and 20% of the said posts are not reserved and can be filled in by the method of direct recruitment by any person whether local or non-local Sub-para (8) of para 8 of the said order provides, inter alia, that there shall be atleast one unreserved post while making recruitment to the posts in any cadre at any time. The purpose sought to be achieved by the said para is that there shall atleast be a minimum of one unreserved post while making direct recruitment, at any time to any local cadre- vide para 14 of G.O.P.No.729, General Administration (SPF) Department, dated 1st November, 1975. If the dependent of a deceased Government employee happens to be a non-local, such person can be appointed by the method of direct recruitment to any one of the 20% unreserved posts in any local cadre or to the post left unreserved out of the posts filled by direct recruitment at any time to any local cadre as provided in sub-para (8) of para 8 of the said Order.

4. The Departments of Secretariat and the Heads of Departments are requested to bring the above clarification to the notice of all appointing authorities for their guidance.

**ORDER :-**

In the G.O. first read above permanent relief to the deserving bereaved members of the family of the deceased Government servant has been provided by

appointing the spouse of a deceased Government or the dependent children of the deceased Government servant who died in harness, as a social security measure without reference to Employment Exchange. Such appointments should be to the categories of posts whose pay is equal to or less than that of L.D.C. subject to fulfilling certain conditions mentioned therein. In the Memo. second read above, certain clarifications were issued regarding the eligibility of the candidates who apply for appointment under this Social Security Scheme. In the Memo third read above, it has been made clear that request for compassionate appointments in cases which violate the conditions stipulated in the scheme should not be entertained, as indiscriminate compassionate appointments in the cases of the dependants of the deceased Government servants who die in harness will deprive other equally deserving poor families in securing jobs. In the Memo fourth read above, instructions were issued to consider the dependents of the deceased Government Servants for appointment in the office in which the deceased was working or in any other office under the administrative control of that Department, if there is no vacancy in the former.

2. In the G.O. fifth read above, as modified in the G.O. sixth read above, instructions were issued that qualified and eligible dependents of deceased Government Servants shall not be appointed in the vacancies meant for SCs., STs., and BCs., unless they are members of the respective communities and that they shall be considered for appointment in the vacancies meant for O.C. Candidates, if they are readily available, and if such vacancies are not available, they may be appointed against supernumerary posts to be created for the purpose. Instructions were also issued therein, that any supernumerary post so created shall continue till such time a vacancy arises as per the roster for O.C. candidates and when a regular vacancy arises as per the roster, the supernumerary post so created automatically ceases. The said G.O. further lays down that the above procedure shall also be adopted for the son/daughter/spouse of deceased employees who belong to S.C., S.T., or B.C. community and when there is no vacancy reserved for that community as per the roster.

3. It has been brought to the notice of the Government that a number of applications for appointment to the posts under social security scheme are pending

in the districts, although instructions were issued in the Memo. fourth read above, that Compassionate appointments can be made not only in the department where the employee died, but also in another department. In order to avoid a situation where there are vacancies in some departments and heirs who cannot be appointed for want of vacancies in other departments, Government have decided to have a Central Authority to co-ordinate such appointments. Government therefore, have decided to make the collector of the concerned district as the nodal authority to allot the eligible dependents to any department for issue of appointment orders. All the District Heads and Heads of offices in the district concerned, are therefore, requested to notify the vacancies as and when they occur in their offices, to the District Collectors concerned. They are also requested to inform about the applications from the deceased spouse/children found eligible and forward the same to the District Collector with his remarks. The District Collector will monitor all such cases and issue orders wherever necessary allotting the eligible spouse/children in any vacancy in any department in the district. With the formation of the Central co-ordination at the level of the District Collector, there may be no need for creation of supernumerary posts. However, there may in the beginning be some need for creation of supernumerary posts.

4. Government have entered into an agreement with the various service associations in April, 1991. It was agreed therein to delegate powers to the District Collectors for creation of supernumerary posts, not exceeding five in a financial year for accommodating the dependents of the deceased employees in any of the departments in the Districts, but could not be absorbed in clear vacancies in any of the departments, and in case of necessity, the Collector may approach the Government for sanction of additional supernumerary posts.

5. Following the agreement seventh read above, Government hereby empower all the District Collectors to create supernumerary posts, not exceeding five in number in a financial year, when there are no vacancies in any of the Government Departments in the concerned districts. In each such order issued by the District Collector, the number of supernumerary posts created so far in the financial year shall invariably be specified to ensure that the maximum of five is not exceeded. A copy of the proceedings shall be communicated to the District Treasury Officer, Sub-

Treasury Officer and Audit Authorities to enable them to admit the salary of the employee concerned.

6. The Collectors are therefore requested to exercise the above authority very judiciously while creating the supernumerary posts, as creation of supernumerary posts is not for all cases, but only in original cases, as cases of one department would be adjusted in vacancies of other departments.

7. In case of necessity for creation of supernumerary posts, over and above five in a financial year, the Collector of the concerned district shall approach the Government in the concerned administrative department for creation of additional supernumerary posts with full details of vacancies and number of applications pending in various departments.

8. In the case of Heads of Departments in the twin cities of Hyderabad and Secunderabad, General Administration Department shall be the co-ordinating nodal agency to allot the eligible dependents to any of the Head of the Department for issue of appointment orders. All the Heads of Departments in the twin cities are therefore, requested to notify the vacancies as and when they occur in their offices to the Genl. Administration Department. They are also requested to inform about the applications from the deceased spouse/children found eligible and forward the same to the General Administration Department with their remarks. The General Administration Department, will monitor all such cases and issue necessary orders wherever necessary allotting the eligible spouse/children in any vacancy in any department in the twin cities. Therefore, there may be no need for creation of supernumerary posts in the Heads of Departments. However, there may, in the beginning, be some need for creation of supernumerary posts. General Administration Department shall issue orders creating supernumerary posts duly following the usual procedure prescribed for creation of such supernumerary posts.

9. Any supernumerary posts created shall continue till such time a regular vacancy arises subject to rotation of roster and the supernumerary post so created shall automatically cease.

10. This order issues with the concurrence of the Finance and Planning (FW.Exp.HG) Department vide their U.O.No.G91-05-225/1025/A2/PRC.I/91-1, dt.29.6.1991.

**ORDER :**

The G.O. first read above lays down the procedure to be followed in providing immediate permanent relief to the family of a Government employee who dies in harness by appointing his son/daughter/spouse without the media of Employment Exchange, subject to certain conditions specified therein as also in various orders issued from time to time, as a social security measure. Certain points raised subsequently regarding relaxation of educational qualifications, age for appointment and the time limit for submission of applications etc., have been clarified in the Memo second read above. Instructions have also been issued in the Memo fourth read above that no application for relaxation of any of the conditions in respect of appointment of the dependents of deceased Government servants to the posts other than the posts in the Last Grade Service should be entertained.

2. In spite of the above instructions, certain types of cases are being referred to General Administration (Services) Department either for clarification or for relaxation of the conditions stipulated in the orders governing the appointments made under the social security scheme as also under the medical invalidation scheme formulated in the G.O. third read above. The Government have examined these cases and the following orders are issued in modification of orders issued from time to time wherever they are inconsistent with those orders:-

(i) The younger brother/sister of the deceased Government servant who remained unmarried can be considered for appointment under the scheme, provided there is no other earning member in the family. The cases which came up for consideration earlier need not be re-opened.

(ii) The adopted son or daughter of the deceased Government Servant may be considered for appointment, if the adoption had taken place legally, atleast five years prior to the date of demise of the Government Servant.

(iii) Where one deceased employee does not have any male child but leaves behind him a married daughter and an unmarried minor daughter, the choice of selecting one of them for appointment under the social security scheme shall be left to the mother.

(iv) If the dependents of the deceased employees are eligible to be considered for any category of post whose pay is equal or less than that of Junior Assistant (L.D.C.) and if they satisfy the qualifications and physical standards prescribed for such posts, they can be considered for posts such as, Police Constable in Home Department, Excise Constable in Excise Department, Helper Grade-I and II in Forest Department, Leading Fireman/Fireman in Fire Service Department etc., In any case, no dependent of the deceased Government employee possessing higher qualifications prescribed for the posts of Assistant Engineers, Assistant Executive Engineers, Civil Assistant Surgeons etc., shall be considered for

appointment to post carrying higher scale of pay such as Assistant Engineers, Assistant Executive Engineers, Civil Assistant Surgeons etc.,

Since the clerical posts in Education Department/Educational Institutions are a few, the dependents of deceased employees can also be considered for the lowest teaching post i.e., posts at present carrying a scale of pay of Rs.1010-1800, in the Education Department/Educational Institutions, if they satisfy the qualifications prescribed under the rules to hold such posts.

(v) As the object of the social security scheme is to give immediate relief to the distressed family of the deceased Government employee, a minor who does not attain majority within two years as specified in Government Memo No.618/Ser.A/78-11, General Administration Department, dt.17-12-1979 after the demise of the Government employee, shall not be considered for appointment. In such cases it is decided to grant ex-gratia to the widow/dependent of the deceased employee. Orders regarding quantum of ex-gratia will be issued separately.

(vi) In cases where , Diploma holders who do not possess minimum educational qualifications for appointment as Junior Assistants and who have sought appointment as Junior Assistant are exempt from possessing minimum general educational qualifications, provided the duration of study to acquire such qualifications, (i.e., Diploma) is equivalent to or longer than that Intermediate.

(vii) Where typewriting in English (Higher) and Telugu (Higher) is an essential qualification for appointment to a post, the candidates who do not possess those qualifications may be considered for appointment to such categories of posts subject to the condition that they should acquire such qualifications within two years after such appointment.

(viii) The minimum qualification required to hold the post of Junior Assistant in the Heads of Departments/Directorates is Degree and in Subordinate Offices Intermediate. The candidates for compassionate appointment who do not possess the said qualifications can be considered for appointment if they possess atleast

Intermediate/Tenth Class qualification respectively, by giving reasonably time to acquire higher qualification prescribed under rules to hold such posts.

3. This order shall come into force with immediate effect.

4. The Government also direct that the present scheme of compassionate appointment of spouse/son/daughter of a Government servant who retire on medical invalidation shall continue without any modification and the orders referred to in the above paras shall not apply to the cases off compassionate appointments on medical invalidation.

With reference to the letters cited, the District Collector, Vizianagaram is informed that, as per the orders issued in G.O.Ms.No.349, G.A.(Ser.A) Department dt.12-6-1986 the cases of appointment of dependents of deceased Government employees to the posts included in Last Grade Service involving relaxation of age, educational qualifications etc., contemplated in Memo.No.2047/Ser.A/83-10, dt.10-10-1983, need not be referred to Government. The appointing authorities are authorised to make purely temporary appointments to be regularised only after relevant rules are relaxed by the concerned Heads of the Departments.

2. The proposal of the Superintendent of Police, Vizianagaram recommending such relaxation in as many as four cases at a time does not seem to be in keeping with the above mentioned instructions. Further, the orders issued in G.O.Ms.No.427 Genl. Admn (Ser.A) Department dt.1-7-1991 authorising District Collector to create only 5 supernumerary posts in a year and requires him to seek Government permission if need for any additional supernumerary posts arises. the instance case that vacancies are available in other Departments. In that case, there is no need to create supernumerary posts. It has been brought to the notice of the Government by the President and General Secretary Non Gazetted Officers Association that eventhough the Government delegated powers to the Collectors for creation of supernumerary posts for the appointment of the Dependents of the deceased Government Servants there were delays in processing the cases and issuing orders appointing the dependents of the deceased employees. As the delays in processing and issuing appointment orders to the dependents of the deceased employees would defeat the very purpose of the scheme of providing immediate relief to the distressed families. The District Collectors are requested to ensure that these cases are given top priority and appointments are made as quickly as possible. They are also requested to send a monthly report to Government indicating the reasons for delay if any, in not disposing of the cases within a month from the date of receipt of application. These reports should reach the Government in General Administration (Ser.A) Department **before 10th of the succeeding month** and should contain the full details of the number of cases pending at the beginning of the month fresh cases received and disposed by the end of the month and reasons for the pendency if any, for more than one month. **ORDER:**

With a view to provide immediate relief to the family of a Government Employees who dies in harness and also to avoid a situation where there are vacancies in some departments, while the eligible dependent cannot be appointed for want of vacancies in the department concerned, Government have decided to have a Central Agency to co-ordinate such appointments by utilising vacancies in the various Departments. Accordingly, orders were issued in the G.O. first read above, making the Collector of the concerned District as the nodal authority to allot eligible dependents to any department for issue of appointment orders. All the District Heads and Heads of Offices in the District concerned were requested to notify the vacancies as and when they occur in their offices to the District Collector concerned. They were also requested to inform about the applications received from the deceased

spouse/children found eligible and forward the same with their remarks to the District Collector who will monitor all such cases and issue orders wherever necessary allotting the eligible spouse/children in any vacancy in any department in the District. The Collectors were also delegated with the power to create supernumerary posts not exceeding five in a financial year in each district for accommodating the dependent of the deceased employees.

2. In respect of the Heads of Departments in Twin Cities of Hyderabad and Secunderabad, for monitoring co-ordination and creation of supernumerary posts etc., for accommodating the dependents of the deceased Government employee orders were issued in G.O. 2nd read above making the General Administration (I.C.) Department as the nodal agency.

3. The General feeling regarding the working of the scheme is that Centralisation ordered in the G.Os. 1st and 2nd read above is resulting in delays in making appointments even in normal cases where there are vacancies and the eligible dependents could be appointed straight away with reference to their qualifications. The Service Associations have also represented that the power now vested with the District Collector for making allotment of the compassionate appointments is not working well and therefore requested that the Head of the Departments and the appointing authorities may be vested with the power to make such appointments by themselves instead of processing the cases through the channel of the District Collector.

4. Government have carefully examined the matter and decided that in normal cases where there are vacancies and the eligible candidates could be appointed straight away such cases need not be referred to the nodal

authority. Accordingly **in partial modification of the orders issued in the G.Os. first and second read above**, Government issue the following orders.

(i) Where a vacancy is available and in eligible dependent could be appointed in such a vacancy with reference to his qualifications and subject to provisions of rule of reservation, the appointing authority may appoint him straightaway and duly intimate the fact to the District Collector/General Administration (I.C.) Department, as the case may be.

(ii) In cases where there is no vacancy or the dependent cannot be appointed even if a vacancy is available as he is not qualified to hold such post or as the vacancy is meant for Scheduled Castes/Scheduled Tribes/Backward Class candidate, the appointing authority shall report the vacancy. While forwarding the application of the eligible dependent to the nodal authority for appointment to any vacancy in the district/in the twin cities as the case may be.

(iii) There may be few cases, where an application is received from an eligible dependent of a deceased Government employee (viz., in respect of cases covered by item (i) above) after the appointing authority has notified a vacancy to the nodal authority. In such cases, the appointing authority should immediately report of that claim of the dependent to the Collector/Genl. Administration (I.C.) Department and make such appointment only after obtaining clearance from the Collector/ Genl. Administration (I.C.) Department, as the case may be such appointments shall not be made without reference to the Collector/Genl. Admn. (I.C.) Department under only circumstances.

5. Government consider, that the reporting of the vacancies by the authorities concerned and as well as the appointments made under the

scheme should be properly regulated and monitored. The appointing authorities should furnish a monthly report of the vacancies existing in their offices along with the details of the applications received from the dependents of the deceased and forwarded to the nodal authority in the format appended to this order to the District Collector/General Administration (I.C.) Department as the case may be. The Nodal Agency should furnish the consolidated information as in part-I of the former to the Genl. Admn. (Ser.A) Department by **10th of the succeeding month.**

**ORDER**

In para 2(viii) of the G.O. first read above, it was ordered that the minimum qualification required to hold the post of Junior Assistant in the Heads of Departments/ Directorates is Degree and in subordinate offices Intermediate and that the candidates for compassionate appointment who do not possess the said qualification can be considered for appointment, if they possess atleast intermediates/ tenth class qualification respectively by giving reasonable time to acquire higher qualification prescribed under rules to hold such post.

2. In the reference 2<sup>nd</sup> cited, the Collector, Nizamabad has stated that a number of candidates are getting appointed as Junior Assistants with out possessing the minimum educational qualification and it is likely that they will not be able to acquire the Intermediate qualification within one year allowed for this purpose and that the posts of Junior Assistants are likely to be saddled with candidate who do not possess the minimum qualification. He has therefore, suggested that the practice of making such conditional appointments be reviewed.

3. Government have examined the above proposal. The minimum qualification required to hold the post of Junior Assistant in Heads of Departments/ Directorates and Secretariat is Degree while in sub-ordinate offices it is Intermediate. It is considered necessary to prescribe a time limit for acquisition of the minimum educational qualification prescribed under the rules to hold such posts by the candidates appointed under compassionate grounds.

**Sub:-** Compassionate appointments to the dependent of deceased Government employees who die in harness - certain orders of Supreme Court of India - Communicated - Reg.

\*\*\*

The following salient features of the orders of Supreme Court of India in certain cases of compassionate appointments to the dependents of Government employees who die in harness are communicated herewith for information and further necessary action:-

" The Supreme Court of India in Civil Appeal No. 12889 of 1996 arising out of S.L.P. (C) NO. 11791 of 1996 in a case of compassionate appointment, while setting aside the orders of Andhra Pradesh High Court dated 26-04-1996 in W.A.No.103, of 1996 and dated 21-07-1995 in W.P. No.12896 of 1991, has observed that when there is no vacancy available, candidate can not insist that he should be appointed on compassionate ground. The details of the case are as follows. In this case, viz., Hindustan Aeronautics Ltd., (Appellant) Vs. Smt. A.Radhika Thirumalai (Respondent), the appellant had made rules for employment on compassionate ground, subject to availability of vacancies in the respective staffing cadre/authorization consequent on the death of her husband, the respondent applied for compassionate appointment, which was put on the wait list by the appellant among the list of candidates who applied earlier for employment on compassionate grounds.

Further in view of ban imposed on recruitment in their unit by the Appellant, compassionate appointment could not be provided to the Respondent. The respondent filed a W.P.No. 12896 of 1991 in Andhar Pradesh High Court praying for a writ of mandamus directing the appellant to provide suitable permanent employment to the Respondent by creating a supernumerary post. The learned single Judge of High Court by Judgement dated 21-06-1995 issued a writ of mandamus directing the appellant to consider the candidature of the respondent on

compassionate grounds to any suitable post and if found suitable to appoint her to such post with a period of two months, duly rejecting the plea of appellant that since there was a ban on recruitment the appointment could not be given on compassionate grounds. Even the Division Bench of Andhra Pradesh High Court while dismissing the W.A. filed by the Appellant held that appointment on compassionate grounds is given notwithstanding whether there is any vacancy or not by creating supernumerary post. Aggrieved by the said Judgement of Division Bench of the High Court, the appellant has filed appeal before Supreme Court. The Supreme Court of India, while dismissing the case in detail, among other things observed that in the appellant company, appointment on compassionate grounds is governed by Rules. Though in their rules a provision is made for compassionate appointment, another rule laid down that such appointment would be made depending upon the availability of vacancies in the respective staff cadre/authorization. In other words, an appointment on compassionate grounds can be made only if a vacancy is available. In the course of arguments, the Supreme Court observed that an appointment on compassionate grounds has to be given in accordance with the relevant rules and guidelines that have been framed by the concerned authority and no person can claim appointment on compassionate grounds in disregard of such rule or guidelines, For the above reason and also the other reason discussed in the case, the Supreme Court set aside the judgement of Andhra Pradesh High court dated 26-4-96 in WA No.103 of 1996 as well as judgement of learned single Judge dated 21-7-95 in W.P.No. 17896 of 1991 duly dismissing the W.P. filed by the respondent.

Further in the case of Umesh Kumar Nagpal (1994 AIR SCW 2305) the Supreme Court has pointed out that appointment in public Services on compassionate ground has been carved out as an exception, in the interests of justice, to the general rule that appointments in the public services should be made strictly on the basis of open invitation of applications and merit and no other mode of appointment nor any other consideration is permissible. A Compassionate appointment is made out of pure humanitarian consideration taking into consideration the fact that unless some source of livelihood is provided, the family

would not be able to make both ends meet and the whole object of granting such appointment is to enable the family to tide over the sudden crisis. The Court has also laid down that an appointment on compassionate ground has to be given in accordance with the relevant rules and guidelines that have been framed by the concerned authority and no person can claim appointment on compassionate grounds in disregard of such rule or such guideline (Sec Life Insurance Corporation Vs. Asha Ramachandra Ambedkar) (1994 AIR SCW 1947), (Supra).

Further in Himachal Pradesh Road Transport Corporation Vs. Dinesh Kumar (1996 AIR SCW 2727), the Supreme Court of India, among other things, has observed that normally even if the Tribunal finds that a person is qualified to be appointed to a post under kith & kin policy, the Tribunal should only give direction to the appropriate authority to consider the case of the applicant, in the light of relevant rules. It is not open to Tribunal to direct the appointment of any person to a post and also direct to create supernumerary post. The supreme Court in this case observed that the Tribunal should only give a direction to the appropriate authority to consider the case of the particular applicant, in the light of the relevant rules and subject to availability of post and accordingly set-a side the orders of the Administrative Tribunal of Himachal Pradesh dated 27-3-95 ordering conditional appointment to acquire the typewriting qualification within one year as well as the order of Himachal Pradesh Administrative Tribunal dated 06-03-1995 for creation of Supernumerary post to accommodate the candidates when there is no such provision in the rules.

In all these cases, as seen from the judgements pronounced by Supreme Court in the case of compassionate appointments, it is observed that the Tribunals or High Courts can not direct the appropriate authorities the appointment of any person to a post of direct for creation of supernumerary posts when there are no vacancies available and in the absence of orders for creation of supernumerary posts in the rules governing compassionate appointments. The Supreme Court of India has laid down that an appointment on compassionate ground has to be given in accordance with relevant rules and guidelines that have been framed by the concerned authority.

All Departments of Secretariat, all Heads of Departments, all the District collectors and all the Government pleaders at Andhra Pradesh Administrative Tribunal and High Court of Andhra Pradesh are requested to keep in view the above orders of Supreme Court while dealing with the court cases relating compassionate appointments.

\*\*\*

In the G.O. 1st cited, while reviewing the scheme of compassionate appointments of deceased Government employees who die in harness, the Government have directed that the proposal for providing compassionate appointment to the dependents of deceased Government employees which are totally in conformity with the existing Government instructions on the scheme only should be considered and no cases which are in deviation of the orders/instructions /guidelines issued in the matter should be proposed for any relaxation, whatsoever. In the said G.O. the Departments of Secretariat/Heads of Departments/District Collectors etc., have been requested to adhere to the existing instructions and guidelines issued from time to time of the scheme while considering Compassionate appointments to the dependents of the deceased Government employees strictly without any deviation. It was also directed not entertain the requests for compassionate appointments in cases in which do not conform to the conditions stipulated in the scheme from time to time as no application for relaxation of any of the conditions stipulated under the scheme is proposed to be entertained by Government, as a matter of general policy. Further in govt. Memo second cited it has been clarified that the clarification /instructions/guidelines and concessions issued from time to time on the scheme are in vogue. Therefore when there is an inbuilt relaxation incorporated in the rules itself it will not attract the provisions of G.O. first cited.

2. In spite of these instructions number of instances have come to the notice of the Government wherein Heads of Departments as well as Departments of Secretariat are entertaining applications /representations in case of compassionate

appointments for relaxation of existing rules on the subject on some ground or other. The matter was again reviewed by the government and it is decided to reiterate the instructions issued in the G.O. cited.

3. Accordingly, while reiterating the instructions issued in the G.O. first cited, all Departments of Secretariat are requested not to entertain the applications/representations in case of compassionate appointments for relaxations of existing rules and in future any such proposals referred to Genl. Admn. (Ser.) Dept., will not be entertained. All the Departments of Secretariat are also requested to issue similar instructions to the Heads of Departments under their Administrative control. A copy of the instructions so issued may be furnished to this Department.

  3. From the District Collector, Kurnool, letter No. Rc.A7/4212/96, Dated 15.01.1997.

\*\*\*

In G.O.Ms.No.84, General Administration (Ser.A) Department, dated 17.2.1982 read with G.O.Ms.No.110, General Administration (Ser.A) Department, dt.22.2.1984 instructions were issued that the dependents of deceased Government servants shall not be appointed in the vacancies reserved for S.Cs., S.Ts., and B.Cs., unless they are members of the respective communities and that they shall be considered for appointment in the vacancies meant for O.C. candidates, if they are readily available, and if such vacancies are not readily available, they may be appointed against supernumerary posts to be created for the purpose. Instructions were also issued there in that any supernumerary post to be created for the purpose Instructions were also issued therein that any supernumerary post so created shall continue till such time a vacancy arises as per roster for O.C. candidates and when a regular vacancy arises as per roster, the supernumerary post so created automatically ceases. The said G.O. further lays down that the above procedure shall be adopted for the dependents of deceased Government employees who

belong to S.C., S.T. or B.C. community when there is no vacancy for that community as per the roster.

2. The District Collector, Kurnool, while referring to the above said G.O., has stated that supernumerary posts are to be created separately for O.Cs., S.Cs., S.Ts. and B.Cs., if there are no vacancies for these categories as per the roster which shows that O.C. vacancies are not exchangeable to reserved categories. He has further stated that the erstwhile General Rule 22 (ii)(b) is also not applicable to compassionate appointments, as merit is not tested on competitive basis, to consider the claims of S.Cs/S.Ts./B.Cs. against O.C. vacancies. The District Collector Kurnool has therefore, presumed that the reserved category candidates may not be considered for appointment against O.C. vacancies under compassionate grounds when there are no vacancies for them and sought clarification in this behalf.

3. The matter has been examined and it is hereby clarified that O.C. vacancies are not reserved category vacancies in the roster and any body including candidates belonging to reserved categories can also be accommodated in the O.C. Vacancies. Further the contention of the District Collector that the claim of S.Cs/S.T./B.C. candidate against O.C. vacancy can not be considered under the scheme of compassionate appointments as merit is not tested on competitive basis is also not correct. The objective of the scheme is to provide immediate succour to the family of the deceased employee duly providing alternate bread winner by giving appointment on compassionate grounds but not on competitive basis. As such these appointments are kept outside the purview of Andhra Pradesh Public Service Commission/ District Selection Committee and Employment Exchange and are to be treated as direct recruitments. Therefore in the absence of vacancies for reserved categories in the roster and if there are any O.C. vacancies available, the S.C/S.T./B.C. dependent candidates can be considered for appointments under the Scheme of compassionate appointments against such O.C. vacancies instead of creating supernumerary post. Hence the presumption of District Collector, Kurnool, that the reserved category candidates may not be considered for appointment against O.C. vacancies under the scheme of compassionate appointments is not in order.

4. It is further clarified that if there is an O.C. vacancy available, it can be utilized by appointing the S.C/S.T./B.C. candidate under the scheme of compassionate appointments to the dependents of deceased Government employees even if there are no vacancies available for these reserved categories as per the roster instead of creating supernumerary posts. The supernumerary post has to be created only in the absence of the vacancy meant for O.C. category. Similarly in case of O.C./S.C/S.T./B.C. candidates, if there is no immediate vacancy for that particular community and if O.C. vacancies are available in the roster after certain reserved category vacancies, such O.C. vacancies can be utilized, by-passing the immediate S.C/S.T./B.C. vacancies for accommodating and appointing the O.C./ S.C/S.T./B.C. candidate under the scheme of compassionate appointments. Therefore, there is not need to create supernumerary post when O.C. vacancy is available in the roster.

\* \* \*

In the G.O. first cited, while reviewing the scheme of compassionate appointments of deceased Government employees who die in harness, the Government have directed that the proposals for providing compassionate appointments to the dependents of deceased Government employees which are totally in conformity with the existing Government instructions on the scheme only should be considered and no cases which are in deviation of the orders/instructions/guidelines issued in the matter should be proposed for any relaxation, what-so-ever. In the said G.O., the Departments of Secretariat/Heads of Departments/District Collectors etc., have been requested to adhere to the existing instructions and guidelines issued from time to time on the scheme while considering compassionate appointments to the dependents of the deceased Government employees strictly without any deviation. It was also directed not to entertain the requests for compassionate appointments in cases which do not conform to the conditions stipulated in the scheme from time to time as no application for relaxation of any of the conditions stipulated under the Scheme is proposed to be entertained by Government, as a matter of general

policy. Further in Govt. Memo.second cited, it has been clarified that the clarifications/ instructions/ guidelines and concessions issued from time to time on the scheme are in vogue. Subsequently in the U.O.Note third cited it is further clarified that when there is an inbuilt relaxation incorporated in the rules itself, it will not attract the provisions of G.O. first cited. All Departments of Secretariat are also requested therein, not to entertain the applications/representations in case of compassionate appointments for relaxation of existing rules and in future any such proposals referred to General Administration (Ser.A) Department will not be entertained. All the Departments of Secretariat are also requested to issue similar instructions to the Heads of Departments under their administrative control.

2. In spite of these instructions, number of instances have come to the notice of the Government wherein Heads of Departments as well as Departments of Secretariat are entertaining applications/representations in cases of compassionate appointments for relaxation of existing rules on the subject on some ground or other. The matter was again reviewed by the Government and it is decided to reiterate the instructions issued in the references cited.

3. Accordingly, while reiterating the instructions issued in the references cited, all Departments, of Secretariat are requested not to entertain the applications/representations in cases of compassionate appointments to the dependents of deceased Government employees who die in harness while in service as well as compassionate appointments to the dependents of Government employees who retire on medical invalidation, for relaxation of existing rules and in future any such proposals referred to General Administration (Services) Department will not be entertained. 1. G.O.Ms.No.504, General Administration (Ser-A) Department, dated 30th July, 1980.
2. From the Ministry of Home Affairs, Office Memo No.14014/10/80 Estt. (D), dated 18th March, 1982.

#### **ORDER:**

In G.O. cited, Government directed that the scheme of compassionate appointments of son/daughter/spouse of a Government servant who dies in harness as a social security measure for immediate assistance to the family on passing away of a Government servant in harness, was extended to the son/daughter/spouse of a Government servant who is retired on Medical invalidation under Article 441 of Andhra Pradesh Pension Code (Vol.1).

2. In their Office Memo. cited the Government of India have stated that it has been noticed that of late there had been a spate of cases of Officers proceeding on retirement on Medical Certificates on various grounds and also claiming the appointment of their wards to Government service on compassionate grounds. In several cases such retirements are sought towards the fag end of the service, that is, about the time the officer would have normally superannuated. Unlike the cases of death occurring where the family of the Officer gets only a family pension, the officer retiring on medical grounds in such cases would also be getting full or nearly full pension considering the cases of the wards of such officers for compassionate appointments would be contrary

to the spirit of the scheme itself under which the raison 'd' etre of granting the concessions to those retiring on Medical grounds was that they had to leave service substantially prematurely.

3. With a view to allow the benefit of the above concession to really deserving cases, the Government of India have decided that the benefit of compassionate appointment should be confined to cases where Government servants retire on Medical grounds before attaining the age of 55 years.

4. The Government, after careful consideration have decided to restrict the benefit to such of the Government servants, who retire on medical grounds before attaining the age of 50 years. They accordingly direct that the concession allowed in the G.O. read above should not be extended to cases where the Government servant has retired on medical invalidation on or after attaining the age of 50 years.

### ORDER :-

In the G.O. first read above, orders have been issued for providing relief to the dependents of the deceased Government servants who die in harness while in service by appointing them in the posts the pay of which is equal or less than that of Lower Division Clerk (Junior Assistant) without the media of Employment Exchange and Andhra Pradesh Public Service Commission, subject to certain conditions specified therein as also in various orders issued from time to time, on the scheme, as a social security measure.

2. In the G.O. second read above, orders have been issued for appointment of son/daughter/spouse of a Government employee who retires on medical invalidation subject to the conditions specified therein, as also in various orders issued on the scheme from time to time.

3. Government had an occasion to examine whether the procedure of allowing joining time in respect of regular appointees has to be followed in cases of compassionate appointments to the dependents of the deceased Government employees and the employees who retire on medical invalidation grounds.

4. The scheme of compassionate appointments to the dependents of the deceased Government employees who die in harness is to provide immediate succor to the family of the deceased Government employee. The District Collector, Karimnagar in his letter fifth cited, while citing the orders issued in the G.O. third cited, has sought for clarification as to whether the dependents of the deceased Government Employees who do not possess 10th class qualification can be considered for appointment to the post of Record Assistants by allowing two years time for acquiring such qualification.

2. As per Rule (3) of A.P. General Subordinate Service Rules issued in the G.O. fourth cited, among the method of appointments prescribed to various categories of posts that come under these Rules, there is no provision for 'Direct Recruitment' to the post of Record Assistants.

3. The appointments made under the scheme of compassionate appointments to the dependents of the deceased Government Employees who die in harness as well as to the dependents of the Government Employees who retire on Medical Invalidation, are without the medium of Employment Exchange and also kept outside the purview Andhra Pradesh Public Service

Commission in the orders First & Second cited. The appointments made under compassionate grounds are otherwise to be treated as direct recruitments.

4. In the circumstances stated above, it is hereby clarified as there is no provision in Andhra Pradesh General Subordinate Service Rules for direct recruitment to the post of Record Assistants, the dependence of the deceased Government Employees who die in harness as well as the dependents of the Government Employees who retire on Medical Invalidation cannot be considered for appointment to the post of Record Assistants. As such the question of considering the dependents of the deceased Government Employees for appointment to the post of Record Assistants by allowing time limit for acquiring such qualification does not arise as there is no provision for direct recruitment to this category.

District Level Committee of Officers and State Level Committee of Officers to prevent any misuse of the scheme of the compassionate appointments to the dependents of Government employees who retire on Medical Invalidation.

3. The State Level Committee of Officers during their meeting on 19.4.1999 under the Chairmanship of Special Chief Secretary to Government and Chairman, Commissionerate of Inquiries, General Administration Departments, while scrutinizing the proposals relating to retirement on Medical Invalidation and consequential proposals for compassionate appointments to the dependents of Government employees of Heads of Departments/ Secretariat Departments have observed during consideration of the cases that by the time the Committee consider these cases, the individuals in certain cases are not having five (5)

years of service before they attain the age of superannuation, as on the date of retirements on Medical Invalidation, if considered and orders. The State Level Committee has therefore deferred consideration of such cases pending clarification as to the date from which five (5) years of service is to be reckoned i.e., from the date of issue of medical certificate or from the date of issue of retirement orders.

4. It is hereby clarified that the benefit of compassionate appointment will be applicable only to those Government employees who retire on Medical Invalidation five (5) years before they attain the age of superannuation. Therefore the required period of 5 years of left over service is to be reckoned from the date of issue of orders of retirement on Medical Invalidation. It is further clarified that in cases where the Government employees do not have five (5) years of service before the employees attain the age of superannuation at the time of considering such cases by the State Level Committee or District Level Committees, the respective Committees after scrutiny of Medical Invalidation certificates in those cases may be recommend only for retirement of such Government employees on Medical Invalidation as per the certificate issued by the Medical Board.

In the G.Os. cited orders have been issued prescribing suitable safeguards and procedures duly constituting the Medical Teams (Medical Boards), District Level Committee of Officers and State Level Committee of Officers to prevent any misuse of the scheme of the compassionate appointments to the dependents of Government employees who retire on Medical Invalidation.
