About the Webinar:

To join the UNO's initiative of '16 days of activism' in the light of the International Day for the Elimination of Violence against Women on 25th November, a State Level Webinar is being organized by the Women Empowerment Cell of GDC, Ganapavaram. This year's International Day for the Elimination of Violence against Women launches 16 days of activism to be concluded on the 10th of December 2020 — the day that commemorates the International Human Rights Day. Several public events are being coordinated by the UNO to recall the need for a violence-free future.

A new report from UN Women, based on data from 13 countries since the pandemic, shows that 2 in 3 women reported that they or a woman they know experienced some form of violence. Only 1 in 10 women said that victims would go to the police for help. It is believed that "stopping this violence starts with adopting comprehensive and inclusive approaches that tackle the root causes, transform harmful social norms, and empower women and girls. With survivor-centered essential services across policing, justice, health, and social sectors, and sufficient financing for the women's rights agenda, we can end gender-based violence" (UNO).

OBJECTIVES OF THE WEBINAR

- To create awareness about the gravity of violence against women
- To sensitize the public on how to eliminate violence against women

- Faculty and students of HEIs

KEY TAKEAWAY

- To get sensitized on women's issues and work for a violence-free society

Introduction

'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence.

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of India's people, culture and achievements. The programme envisages inspiring Indians everywhere to hoist the national flag at their homes. The aim of the programme is to make the relationship with the national flag a more personal one rather than just keeping it formal or institutional.

The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and promote awareness about tricolor. Earlier, Indian citizens were not allowed to hoist the National Flag except on selected occasions. This changed after a decade-long legal battle by industrialist Naveen Jindal culminated in the landmark SC judgment of January 23, 2004, that declared that the right to fly the National Flag freely with respect and dignity is a fundamental right of an Indian citizen within the meaning of Article 19(1) (a) of the Constitution of India. Lauding the Center and PM Modi for the Har Ghar Tiranga Campaign, Naveen Jindal has urged every Indian to make 'Har Din Tiranga' their motto.
