Feedback Report - 2019-20

For the year 2019-20, feedback on the College functioning including teaching learning process was collected from the students, teachers, alumni and parents in offline mode. For the students, a feedback form was designed with 12 questions on 12 parameters with 5 options namely - strongly agree, agree, neutral, strongly disagree, and disagree.

Seventy students submitted their feedback which was collected by the class mentors. Before collection, the purpose of feedback was explained to the students. If the students could not understand any parameter, the mentors explained the parameter and its importance. With the help of the faculty, the IQAC arranged for the analysis of the collected data; the analysis was tabulated and also presented in a graphical format.

For the teachers, alumni and parents, a feedback form was customized with 10 questions covering different areas of the college functioning. The analysis report reveals that:

- Stakeholders expressed the opinion that support for higher education is to be increased.
- Sports facilities need to be improved further.
- Cultural fests are to be organized in the college.
