

Department of Botany

Report on student-centered methods

The student-centered methods like interactive method, activity-based teaching and evaluation methods have been adopted, involving the student's right from the planning to the execution level of the activities. The ICT classes are held mostly in a smart room where internet connection is available; hence, a blended method of teaching is also followed by the department.

2020-21			
Name of the student centered activity/method	Date	Students participated	
Biology Quiz	3-12-2021	I, II & III BZC	
Field Visit	4-12-2021	III BZC	
Seminar	15-12-2021	III BZC	
Biology Rangoli	17-12-2021	I, II & III BZC	
Field Visit	20-12-2021	II BZC	
Debate	29-12-2021	I, II & III BZC	
ODD SEMESTER (2021-22)			
Field Visit	29-01-2022	III BZC	
Field Visit	03-02-2022	I BZC	
Seminar	09-02-2021	II BZC	
Science Exhibition	28-02-2022	I, II & III BZC	
Seminar	19-03-2022	I BZC	
Placard making	22-04-2022	I BZC	
Seminar	27-04-2022	I BZC	

EVEN SEMESTER (2021-22)			
Seminar	22-06-20 22	III BZC	
Field visit	26-06-20 22	II & III BZC	
Project	01-07-20 22	I, II & III BZC	
Seminar	12-06-20 22	II BZC	
Biology Quiz	16-07-20 22	I & II BZC
