

Department of Telugu

Report on Student centered Methods

The Department of Telugu is conducting so many Student Centric Academic Activities continuously for the benefit of the Students. Learning is a Lifetime Continuous Process like a river of life .In this process not only the students but also the Teacher is a continuous Learner. So that the Department is conducting Student Seminars, Debates, Group Discussion, Chart Presentation, Quiz (Online/Offline) for their Academic Excellency. The Department of Telugu Compiled the Monthly Magazine named THOLAKARI to Improve the Creativity, Analytical Communication skills among the Student Community. And also the Students learnt how to prepare The PPTs as their own and presenting in the Classroom among their Classmates.
