Sir/Madam,

Sub: APSCHE-AC-Revision of syllabus under CBCS with effect from 2020-21-Guidelines  
-Corrigendum issued – Reg

Ref: G.O Ms.No.46 HE (CE) Dept. Dt: 22.12.2020

-oOo-

I am directed to inform that as the Universities are aware, the AP State Council of Higher Education has revised the syllabus of 4 year General UG Honours Programmes to be in effect from 2020-21 under Choice Based Credit System. These programmes, in accordance with the G.O under reference have an exit option at the end of three years. The syllabus of semesters I to V of the 4 year General UG Honours programmes prepared by the APSCHE along with the guidelines and the curricular structure is placed in the website of the Council.

I am to further inform that, as per the guidelines placed in the website of the Council, there shall be mandatory internship for all UG programmes for 10 months – 1<sup>st</sup> Internship (Community Service Project) after the end of 2<sup>nd</sup> semester examinations, 2<sup>nd</sup> Apprenticeship / Internship / On the Job Training after the end of 4<sup>th</sup> semester examinations and the 3<sup>rd</sup> and final Apprenticeship / Internship / On the Job Training in semester 6 to ensure that the students develop hands on technical skills which will be of great help in facing the world of work along with developing social consciousness and compassionate commitment towards the neighbourhood.

In order to ensure presence of work force to firms/companies/organisations etc., throughout the year and to balance the work load in Degree Colleges, only 50% of students in a class shall be allotted Internship in V Semester and the remaining 50% shall attend classes on Skill Enhancement Courses (SECs). The 50% of students who attended internship in V semester shall attend classes for SECs in VI Semester and the 50% students who attend classes for SECs in Semester V shall go internship in VI Semester. In either Semester V or VI only 50% of students in a class will be in Internship or attend classes for

SECs. The students may be given a choice to opt for internship either in semester-V or semester-VI.

Accordingly, the 10 month mandatory Apprenticeship / Internship / On the Job Training for UG programmes as per the revised CBCS curriculum with effect from 2020-21 is to be held as follows:

<b>Internship Number</b>	<b>Apprenticeship / Internship / On the Job Training</b>	<b>Duration</b>	<b>To be held</b>	<b>Hours</b>	<b>Credits</b>
1 <sup>st</sup> internship	Community Service Project	4 weeks	After the end of 2 <sup>nd</sup> semester examinations, i.e during intervening summer of semesters 2 and 3	100	4
2 <sup>nd</sup> internship	Apprenticeship / Internship / On the Job Training	4 weeks	After the end of 3 <sup>rd</sup> semester examinations, i.e during intervening summer of semesters 4 and 5	100	4
3 <sup>rd</sup> and final internship	Apprenticeship / Internship / On the Job Training	One semester	5 <sup>th</sup> or 6 <sup>th</sup> semester - 50% of students to undergo in 5 <sup>th</sup> semester while the rest 50% to undergo in 6 <sup>th</sup> semester	200	12

For the students who are admitted in first year for the academic year 2021-22, the Community Service Project can be done anytime during III to VI semesters, including on weekends or holidays, completing the mandatory 4 weeks.

The Universities are therefore requested to note the change in execution of the final internship and communicate it to all the Degree colleges affiliated to the University.

Yours faithfully,

**SECRETARY**

1. It is mandatory for all the students to complete 2 months (180 hours) of Community Service Project as a part of the 10 month mandatory internship/on the job training.
2. Consider yourself as a committed volunteer in the community, you work with.
3. Every student should identify the village/community/habitation for Community Service Project (CSP) in consultation with the College Principal/the authorized person nominated by the Principal.
4. Report to the community/habitation as per the schedule given by the College. You must make your own arrangements of transportation to reach the community/habitation.
5. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow volunteers. Post your daily activity done and/or any difficulty you encounter during the programme.
6. You should maintain punctuality in attending the CSP. Daily attendance is compulsory.
7. You are expected to learn about the community/habitation and their problems.
8. Know the leaders and the officials of the community/habitation.
9. While in project, always wear your College Identity Card.
10. If your College has a prescribed dress as uniform, wear the uniform daily.
11. Identify at least five learning objectives in consultation with your Faculty Guide. These learning objectives can address:
  - Information about the community, including the realities and problems of the society.
  - Need for creating awareness on socially relevant aspects/programs.
  - Acquiring specific Life Skills.
  - Learning areas of application of knowledge and technologies related to your discipline.
  - Identifying developmental needs of the community/habitation.

12. Practice professional communication skills with team members, and with the leaders and officials of the community. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
13. **Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.**
14. At the end of Community Service Project, you shall be evaluated by the person in-charge of the community/habitation to whom you report to.
15. There shall also be evaluation at the end of the community service by the Faculty Guide and the Principal.
16. Do not indulge in any political activities.
17. Ensure that you do not cause any disturbance to the inhabitants or households during your interaction or collection of data.
18. Be cordial but not too intimate with the persons you come across during your service activities.
19. You should understand that during this activity, you are the ambassador of your College, and your behavior during the community service programme is of utmost importance.
20. If you are involved in any discipline related issues, you will be withdrawn from the programme immediately and disciplinary action shall be initiated.
21. Do not forget to keep up your family pride and prestige of your College.
22. Remember that you are rendering valuable service to the society and your role in the community development will become part of the history of the community.

As per the orders of the Government cited in the 1<sup>st</sup> reference, there shall be mandatory internship for all UG programmes for 10 months – 1st Internship (Community Service Project) after the end of 2nd semester examinations, 2nd Apprenticeship/ Internship / On the Job Training after the end of 4th semester examinations and the 3rd and final Apprenticeship / Internship / On the Job Training in 5<sup>th</sup> or 6<sup>th</sup> semester to ensure that the students develop hands on technical skills which will be of great help in facing the world of work along with developing social consciousness and compassionate commitment towards the neighbourhood.

Community Service Project is an experiential learning strategy that integrates meaningful community service with instruction, participation, learning and community development. Community Service Project involves students in community development and service activities and applies the experience to personal and academic development. Community Service Project is meant to link the community with the college for mutual benefit. The community will be benefited with the focused contribution of the college students for the village/ local development. The college finds an opportunity to develop social sensibility and responsibility among students and also emerge as a socially responsible institution.

The following Standard Operating Procedure shall be followed for the implementation of Community Service Project (1<sup>st</sup> Internship) in all Government Degree Colleges in the state duly following the Guidelines given by APSCHE vide reference no.2 cited.

## **Standard Operating Procedure (SOP) for Community Service Project (1<sup>st</sup> Internship)**

### **I Duration:**

The Community Service Project shall be held after the completion of 2<sup>nd</sup> semester examinations, i.e during intervening summer of 2<sup>nd</sup> semester and 3<sup>rd</sup> semester for the duration of 4 weeks (100 Hours). For the students who are admitted in first year for the academic year 2021-22, the Community Service Project can be done anytime during III to VI semesters, including on weekends or holidays, completing the mandatory 4 weeks as per the APSCHE Guideline – Corrigendum cited vide reference no.3.

### **II Schedule:**

- ❖ Socio-Economic Survey of the Village/Habitation (One weeks)
- ❖ Community awareness campaign (One week)
- ❖ Main Project Implementation (One week)
- ❖ Project Report writing (One week)

### **III Implementation of the CSP:**

- A group of students or even a single student could be assigned for a particular habitation or village or municipal ward, as far as possible, in the near vicinity of their place of stay, so as to enable them to commute from their residence and return back by evening or so.
- Each faculty member is to be assigned with a class/ section/ group of 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.
- All the Regular, Contract, Guest faculty shall be involved in CSP as faculty – mentor for a group of students.
- The Community Service Project should be different from the regular programmes of NSS/NCC/Green Corps/Red Ribbon Club, etc in an adopted village. Students shall be given choice to take up CSP in the habitation or village or municipal ward of their own choice/convenience.
- The Community Service Project is a twofold one –
  - ❖ First, the student/s could conduct a survey of the habitation, if necessary, in terms of their own domain or subject area. For ex., a

student of Arts will focus on socio-economic conditions, social survey and about the Government's social security schemes. A student of Sciences could take up a survey on the health and hygiene conditions of that habitation, similarly, with other subject areas too. Or it can even be a general survey, incorporating all the different areas. A common survey format could be designed. This should not be viewed as a duplication of work by the Village or Ward volunteers; rather, it could be another primary source of data.

- ❖ Secondly, the student/s could take up a project work related to their domain or subject area.

#### **IV Role of the Teacher/Mentor:**

- a) The faculty mentor shall provide necessary orientation and training for the students on methodology for survey, preparation of questionnaire, maintenance of Log Book, Project report and writing etc.,
- b) To assign a village/ habitation/ municipal ward to each student as per the choice of the student/convenience.
- c) To guide the students in conducting socio economic Survey in the assigned village/ habitation/ municipal ward.
- d) To guide the students to take up Community awareness campaign/special camps and to act as resource person when required.
- e) To verify and countersign the Log Book of each student
- f) To guide the students in implementation of the project and Project report.
- g) To evaluate the project and award the grade based on the active participation of the student as per the assessment methodology

#### **V Procedure:**

##### **1. Socio-Economic Survey of the Village/Habitation – log book**

A group of students under the guidance of faculty mentors conduct a Socioeconomic Survey of the Village/habitation. They will interact with people to acquire basic knowledge on the project chosen for study and conduct the survey using a structured questionnaire.

##### **2. Community awareness campaign**

The students group takes up community awareness campaigns based on the above survey conducted by identifying the problems or vulnerable

issues. They may also conduct house to house campaign on socially relevant theme. Ex: Government welfare programs, health care, consumer protection, food adulteration, digital transactions, information sources, etc.

### 3. Project Implementation

A group of students choose a topic related to their subject area and conduct a Project which includes, Data collection, interviews, internship in any select unit or department.

### 4. Project Report

The student should submit a project report duly signed by the mentor.

## VI Assessment Methodology:

- ❖ There will be only internal evaluation for CSP internship.
- ❖ The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.
- ❖ The assessment is to be conducted for 100 marks.
- ❖ 4 Credits to be allocated for Community Service Project within the Choice Based Credit System (CBCS).
- ❖ **Assessment Components:**

S.No	Assessment Component	Max Marks
1.	Project Log	20
2.	Project Implementation	30
3.	Project Report	25
4.	Project Presentation	25
	Total:	100

## VII Internal viva committee:

An internal Viva shall be conducted by a committee constituted by the principal of the college. The committee shall consist of the following members;

1. Mentor/ faculty in-charge of CSP

2. One faculty member from other departments within the same course combination
3. One faculty member from Languages/ other courses

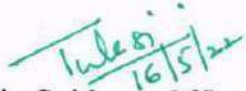

All the Principals of GDCs shall bestow their personal attention on the above SOP and implement Community Service Project (1<sup>st</sup> Internship) as per the schedule without fail.

## **ACKNOWLEDGEMENTS**

*We have taken efforts in the project. However, it would not have been possible without the kind support and help of many individuals and organizations. We would like to extend our sincere thanks to all of them.*

*We are highly indebted to **COMMISSIONERATE OF COLLEGIATE EDUCATION, VIJAYAWADA A.P.** for taking an initiative to conduct Community Service Project as a part of revised academic curriculum under NEP 2020. We are highly obliged to **the Principal and staff members of S.CH.V.P.M.R. GOVT.DEGREE COLLEGE** for their guidance and constant supervision as well as for providing necessary information regarding the project & also for their support in completing the project.*

*We would like to express our gratitude towards **VRO GANAPAVARAM** for his kind cooperation and encouragement in providing us the basic information regarding ganapavaram village, which helped us in successful completion of this project.*

*We would like to express our special gratitude and thanks to our Mentors- **Dr. Ch. Anuradha, Lecturer in English and Dr. Ch. Chaitanya, Lecturer in Botany** for guiding us and giving us such attention and time.*

*Our thanks and appreciations also go to our **team mates** in developing the project and people who have willingly helped us out with their abilities.*

## **INTRODUCTION**

Community Service Project is an experiential learning strategy that integrates meaningful community service with instruction, Participation, Learning & Community development. Community Service Project involves students in community development and service activities and applies the experience to personal and academic development. The Community Service Project is meant to link the community with the college for mutual benefit. The community will be benefited with the focused contribution of the college students for the village/local development. The college finds an opportunity to develop social sensibility and responsibility among students and also emerge as a socially responsible institution.

## **OBJECTIVES OF THE PROJECT**

Community service projects shall be an integral part of the curriculum, as an alternative to the two months of summer internships /apprenticeships/ on the job training, wherever there is an exigency i.e., when students cannot pursue their summer internships. The specific objectives of this project is:

- ❖ To sensitize the students to the living conditions of the people who are around them
- ❖ To help students to realize the stark realities of the society

## **METHOD OF STUDY**

**Step1: Identifying Students:** Out of 350 students studying in S.CH.V.P.M.R. GOVT.DEGREE COLLEGE, thirty students were identified as residents of Ganapavaram village.

**Step2:** The thirty students were grouped into two batches. Each batch consists of 15 students.

**Step3:** We were instructed to visit the VRO Ganapavaram to collect the basic information of Ganapavaram village through a structured questionnaire.

**Step4: Data Collection:** Every student did random sampling of houses to conduct household surveys. Each student was supposed to collect data from 50 houses. However enthusiastic

students extended the sample size. The data was collected through a structured questionnaire in google forms.

**Step5:** Data collected was analyzed.

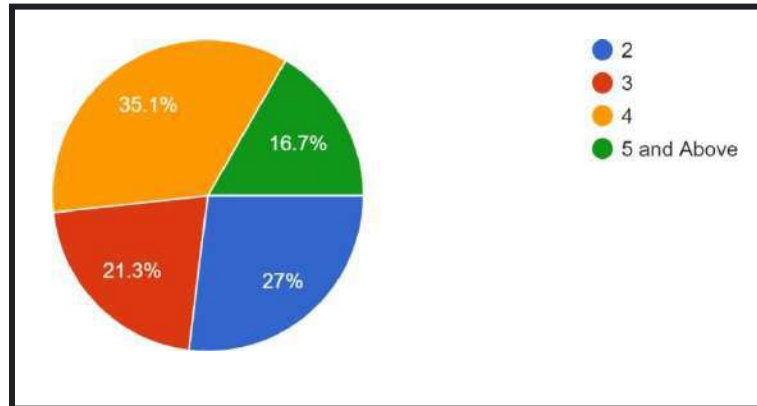

### **BASIC PROFILE OF THE VILLAGE**

Ganapavaram contains total area of 2724.2 Acs . The 1088.98 Acs of land among it, is used for cultivating. The village contains overall 14472 population,where 7328 population are female and remaining 7144 are males. The village contains total 4422 number of houses and literacy rate of 84.28%. The total workforce in the village are 10564.The village contains public transportation facility(Bus) and has a road connectivity which is flexible in all types of weather. There is availability of both public and private services used for communication as well as for internet. The village “Ganapavaram” also has the bank facility which has both private and public sector along with an 24/7 ATM availability. The street lights are present for every street along with Drainaged System. There is a waste collection service that collects the waste from every house and deploy it in dumpyard, even also has waste management plant inorder to keep the village andhouses neat and clean. The village has Health care center along with Medical Store for public. The village supports the Education system that aims people to become educated. It has both Private and Public Schools which provides opportunities for rich and poor childrens to study. There is a public library, grocery shop, Mee Seva kendra, Community hall along with above mentioned facilities. Hence, These are the basic amenities of “Ganapavaram” village.

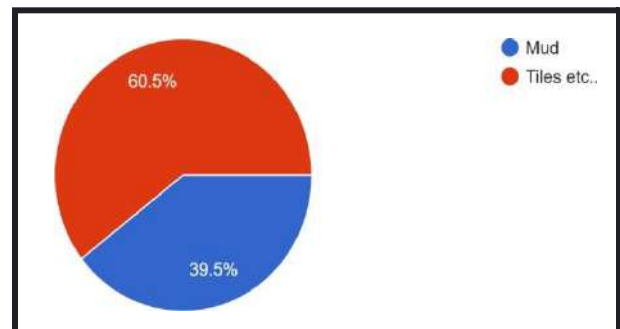

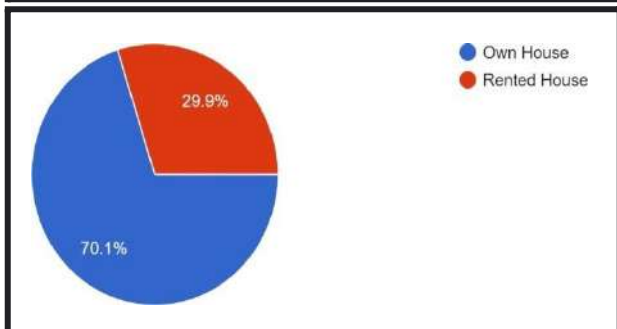

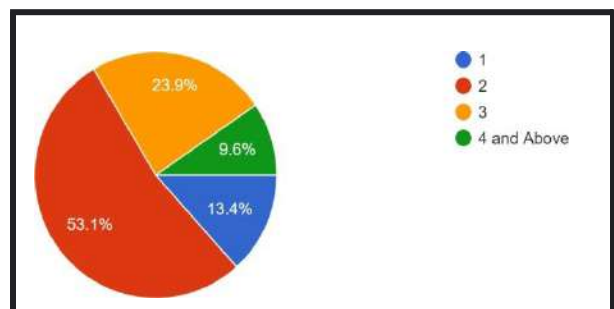

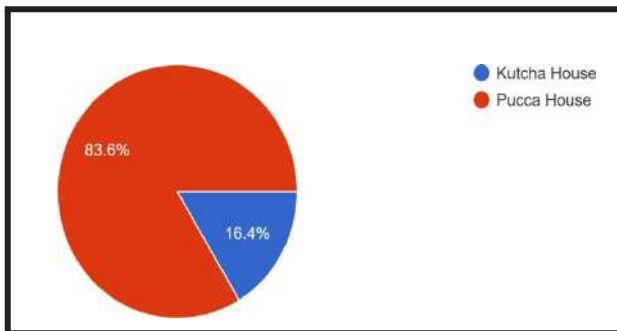

### **ANALYSIS OF THE INPUTS WITH TABLES AND GRAPHS**

Household surveys are an important source of socio-economic data. In developing countries, they have become a dominant form of data collection, supplementing or sometimes even replacing other data collection programmes and civil registration systems. This classic work remains relevant to anyone with a serious interest in using household survey data to shed light on policy issues. In the present study we made an attempt to survey the basic amenities in Ganapavaram village. The input data is analysed as follows:

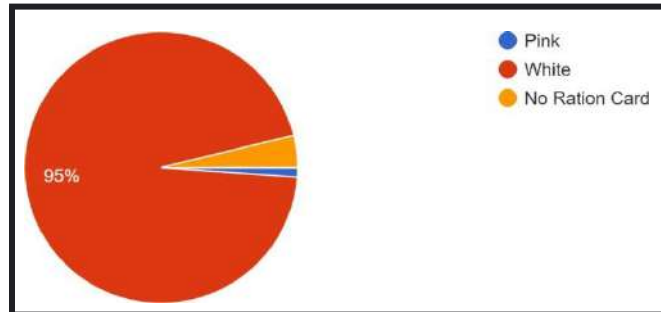

**1.No. of members in the Family:** 35.15% of the respondents come under the small family category and only 16.7% are staying together as large families with more than 5 members in the family.

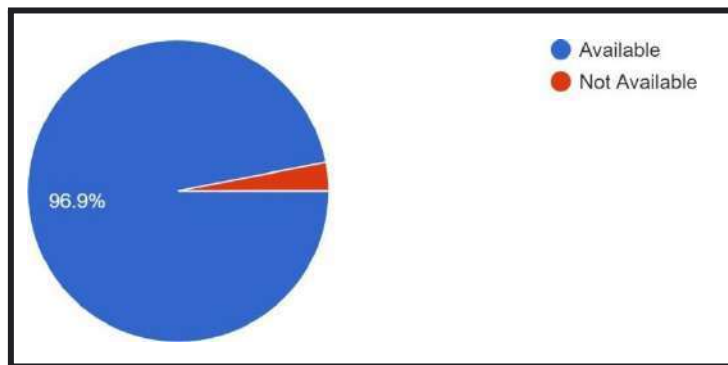

**2. Type of House living in:** 83.6% of the houses are pucca houses with a minimum of 2 rooms excluding the kitchen. Nearly 60% of the houses are furnished with tiles. Out of 1332 respondents, 70% live in houses owned by them. 29.9% are staying in rented houses. These people might be migrants or the weaker section of the society still awaiting for the sanction of houses by the state government scheme.

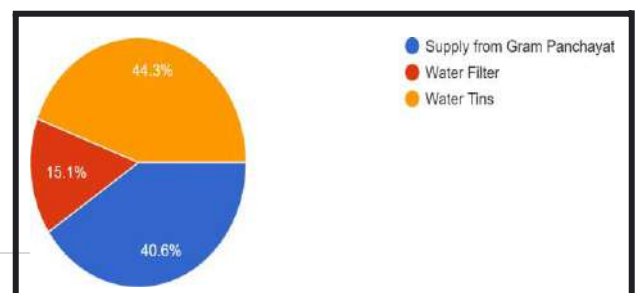

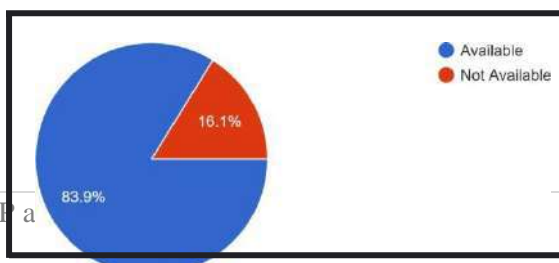

**3. Type of Ration Card:** Nearly 95% of the survey holders are availing the basic government benefits through white ration card.

**4. Good Sanitation facility:** 97% of the respondents have toilet facilities. This is a good sign that public defecation has been reduced in the village to a greater extent.

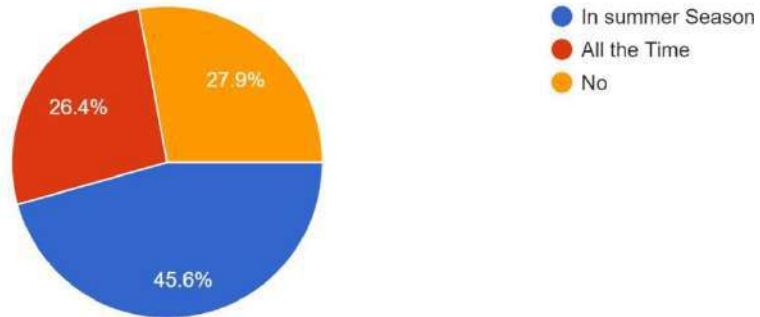

**5. Water Facility:** Out of 1332 respondents nearly 83.9% have drinking water facilities at home. Though 88.2% respondents reported that water is supplied from gram panchayat, 40.8% only utilise that water as drinking water. 44.3% buy water cans from RO filter supplies for drinking purposes. Only 14.5% of the total have their own electric motors. In spite of a fresh water canal running through the village, a very low percentage (0.8%) fetch water from it. Nearly 50% of the houses mentioned that they face water scarcity during the summer season.

10. Do you face water scarcity?

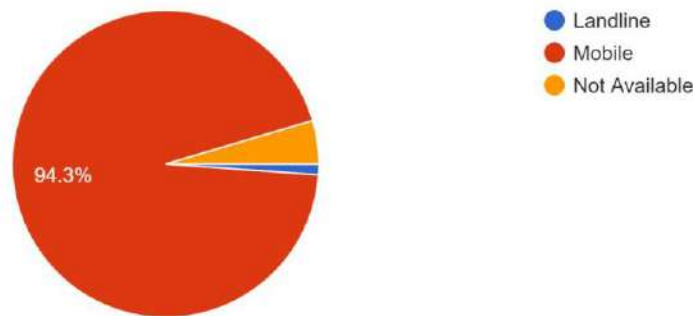

1,332 responses

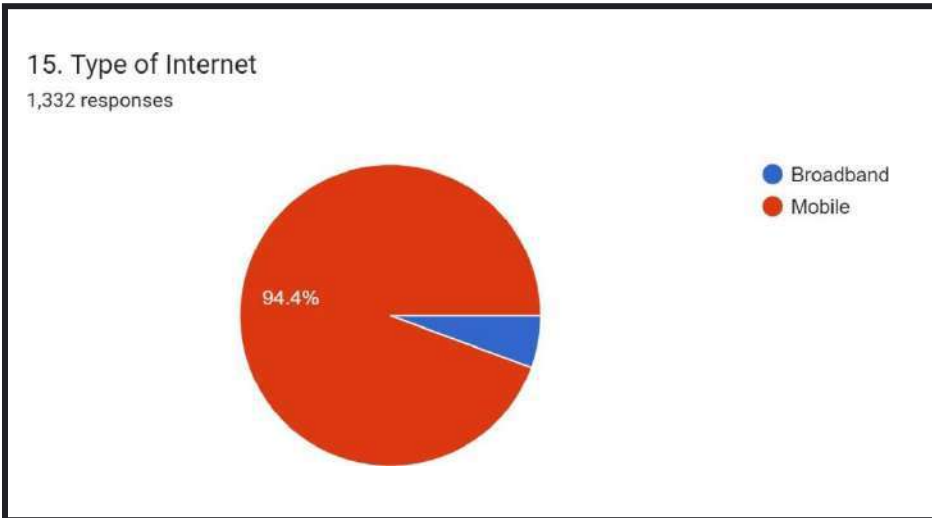

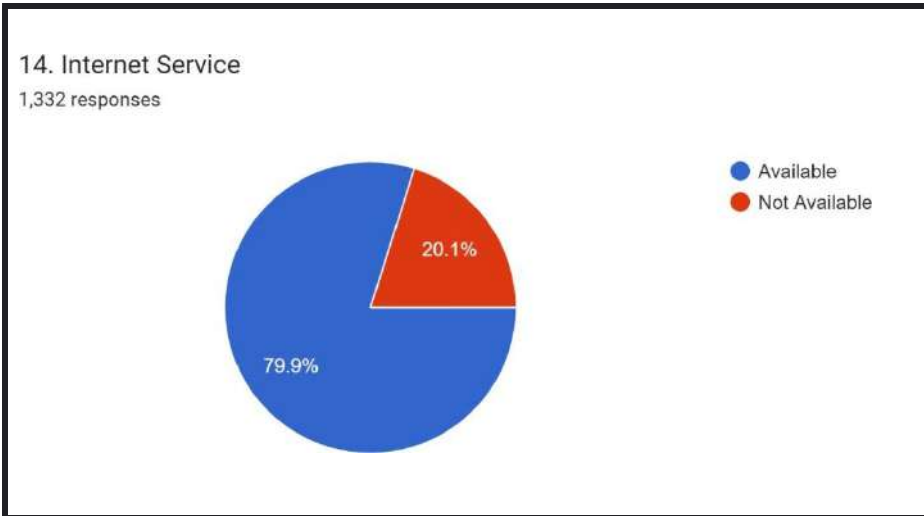

**6. Communication facilities:** 94.3% of the respondents possess mobile phones for communication. However only 79.9% of them have internet facilities. Also very low percentage of them have broadband connections as the majority (94%) use internet through mobile phones.

13. Communication facility

1,332 responses

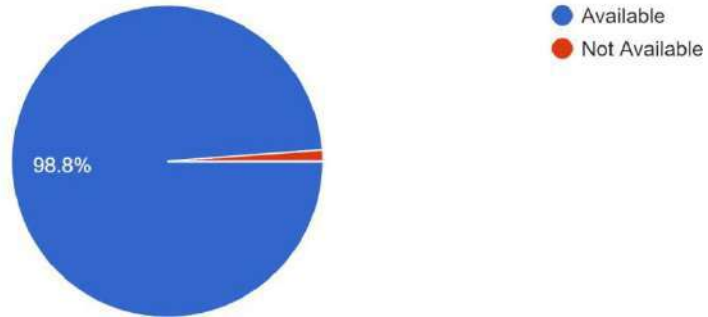

**7. Other basic facilities:** Other basic facilities like availability of gas stove and electricity supply were found to be present in almost all houses. Nearly 70% of the respondents possess two wheelers (scooter or bike) as the private mode of transportation apart from the APPSRTC bus services.

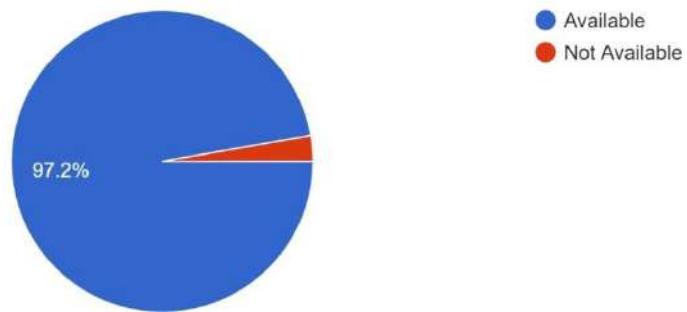

### 11. Gas Stove

1,332 responses

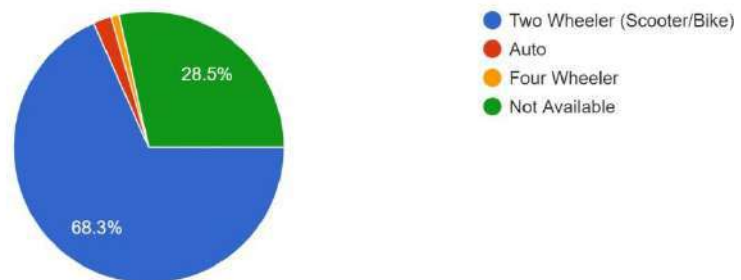

### 12. Electricity Facility

1,332 responses

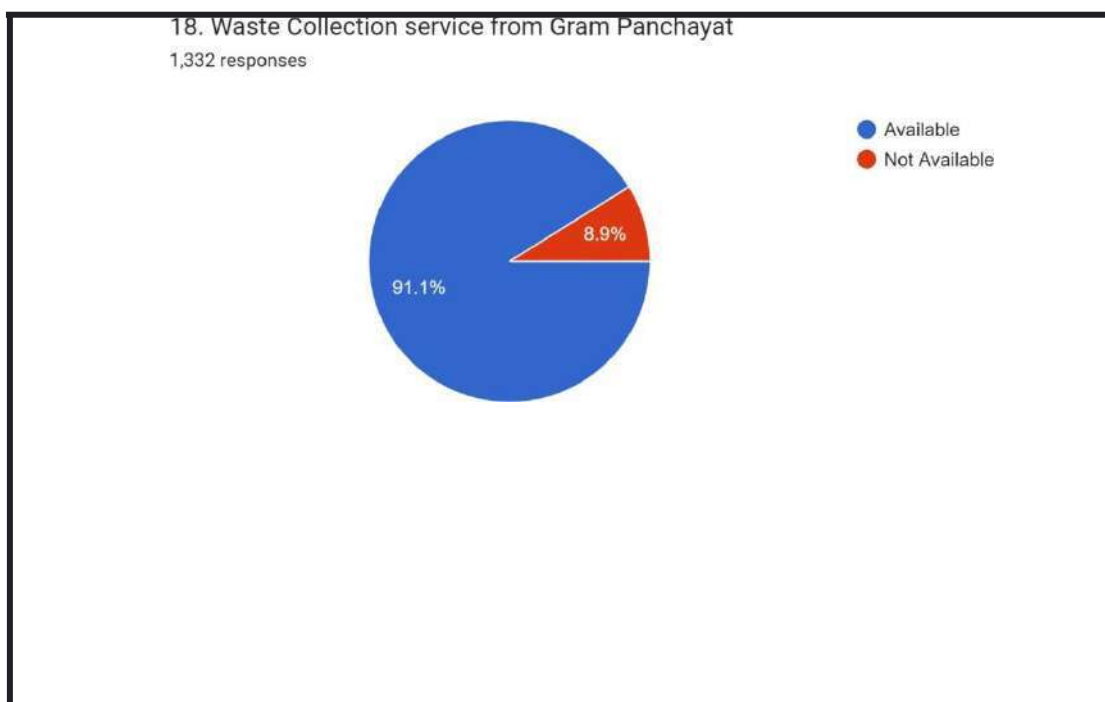

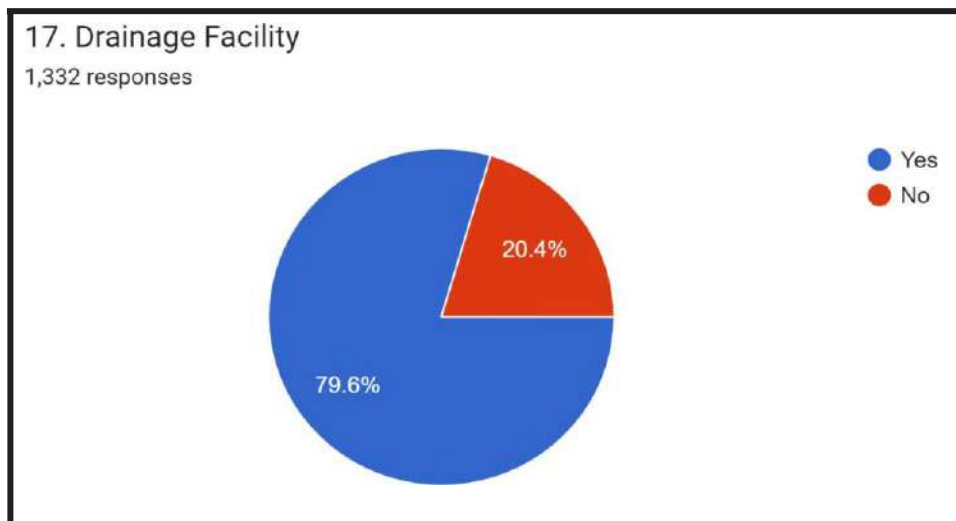

### 16. Private Transportation

1,332 responses

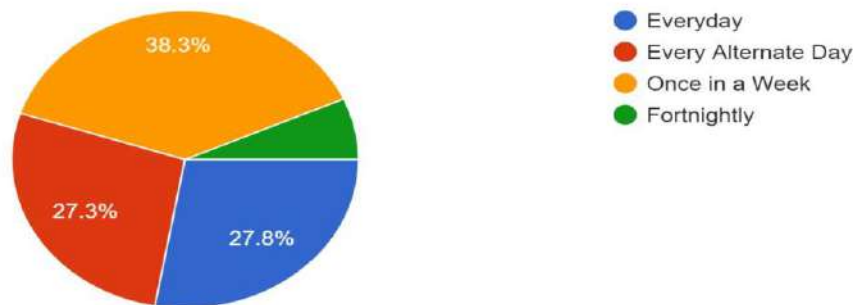

**8. Drainage and solid waste collection Facilities:** 79.6 %of the respondents have proper drainage facilities at their houses. Most of the solid waste is collected by the services provided by the Gram Panchayat only. However, only 27.8 % of the solid waste is being collected on a daily basis and 27.3% is being disposed of on alternative days.

### 19. Frequency of Waste Collection

1,332 responses

### Major findings of the Study

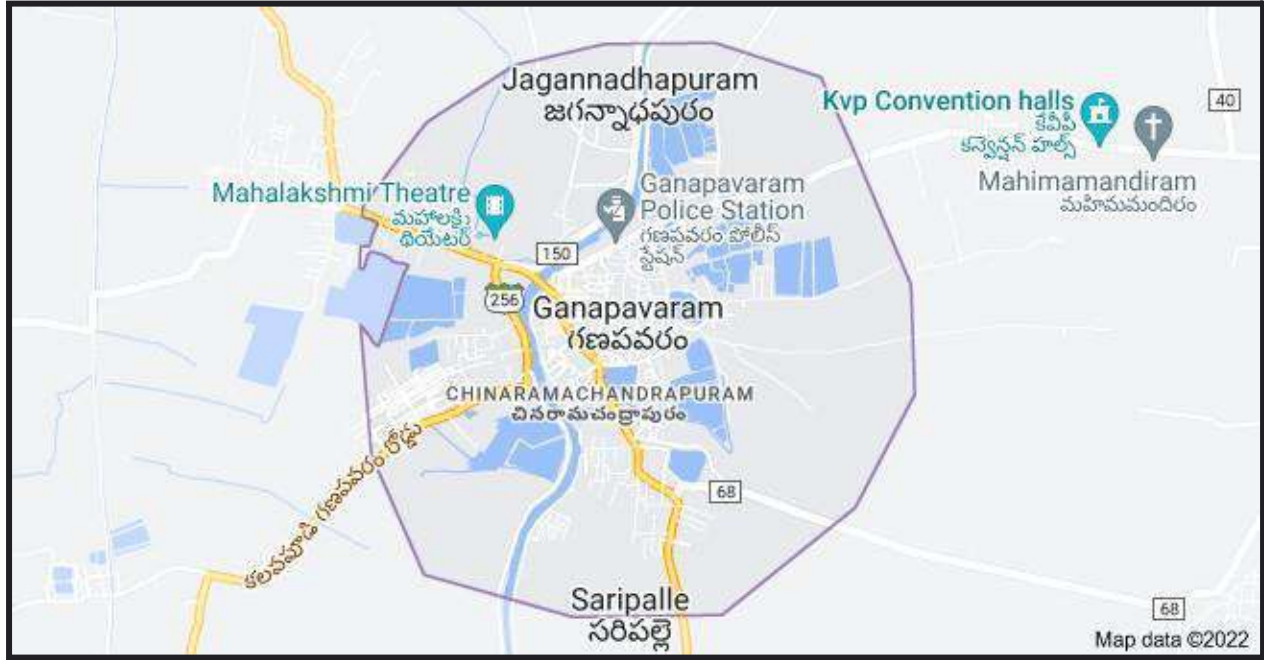

- It is revealed from the data that 83.6 percent are having pucca houses, while 95% of the survey holders have white ration cards therefore availing the benefits of the government policies to a good extent.
- 83.9 percent of the respondents have drinking water facilities at their disposal. However 44.3% buy water cans from RO filter supplies exclusively for drinking purposes.
- Communication facilities have improved as 94% of the survey holders have access to mobile phones.
- Only 27.8 % of the solid waste is being collected on a daily basis by the Gram Panchayat services.
- Other basic facilities like gas connections, transportation are good at ganapavaram village.

### Suggestions:

As per our random survey we found that the very basic facilities like transport, communication, House, Gas connection are available to a better extent. However, the services provided by the Gram panchayat for safe removal and disposal can be improved for a better living place.
