Activity Conducted on 24.06.2022

S.No	Date	Activity	Involved Class	Beneficiary	Place
1	24.06.22	Awareness Talk to Village students & the Villagers	II B.A,B.Com & B.Sc(MPC,MPC S,BZC)	Students at Uppuluru village	Uppuluru

24.06.22 - Led by Dr. GV Ramana, Lecturer in Telugu, and the students visited Uppuluru village as a part of their community service project, interacted with the local people and created awareness about drinking protected water.

All the Batch -7 students are observing water plant Lokeswari II B.sc from Uppuluru Showing electronic card which meant for every family to open the tap and bring the water.

We Visited RBK and Mineral Water Plant at the village which is Equipped with Electronic card System. Every 15 litre water can cost is 8 Rupees. No any man's help to take water But there is a electronic card for every family to open the tap and bring the water.

Dr.G.V.Ramana is speaking with the villagers about the Drinking water Tank and the History of the Village Uppuluru

Water Tank is located near by the village for the Drinking Water and for the needs of Domestic. Two Natural Purifiers are there in the village to purify the tank water.

Dr.G.V.Ramana is speaking with the villagers about the Drinking water Tank and the Electronic card.
