SCHVPMR GOVERNMENT COLLEGE, GANAPAVARAM

NSS AND RRC COVID CAMP

REPORT

At the beginning of the fall of 2020, the opening of colleges and universities poses new challenges and accompanying risks for transmission on campuses and in their surrounding communities. Although the risk of severe health outcomes from COVID-19 in young adults without underlying health conditions is relatively low, faculty, university staff, and close contacts of college students at home and in the community might be at a considerably higher risk for severe illness and death if they were to become infected. In that situation a medical camp was conducted to check the spread of Covid-19, NSS unit and RRC of GDC, Ganapavaram organized a free Covid test camp in College premises on 24-11-2020. Total 69 samples were collected at the camp, of which none were tested positive.
