**ECO CLUB- NO PLASTIC AWARENESS PROGRAM**

**REPORT**

Plastic is everywhere and is contributing to deterioration of the Earth's climate. Eco club has taken initiative to create awareness on the demerits of plastic usage and also attempted to keep the campus area as a plastic free zone. 12 were divided into groups of four. Each group distributed themselves to different areas on the campus and picked up all the plastic waste present on the college campus on 20-02-2021. Plastic has assimilated itself so much into our lives that we have become almost completely dependent on it. To understand the magnanimity of the situation, it is equally important that every one also know the journey of plastic.
