**ECO CLUB- PLANTATION GREEN CAMPUS**

**REPORT**

The whole world is facing the problem of global warming and to recover from such problems planting trees has become one of the most important activities. Eco Club in association with the NSS Unit of GDC Ganapavaram organized a "Tree Plantation" program on 05-06-2019 in the college campus. It was attended by NSS Programme Coordinator, college staff and 10 student volunteers. Students planted 10 numbers of trees. The students also placed bricks as barricades and each student took the responsibility to nourish and maintain the allocated plant. This activity was indeed a great fun and part of our responsibility too. All the faculty of various departments supported this wonderful work. This activity made our college campus green and healthy thus leading to a healthy india.
