SCHVPMR GOVERNMENT DEGREE COLLEGE, GANAPAVARAM

ECO CLUB- NO PLASTIC AWARENESS PROGRAM

REPORT

Plastic is everywhere and is contributing to deterioration of the Earth's climate. It has become a global issue and to combat this for a better future we have to act locally. In this regard our college Eco club has taken initiative to make the students aware of the excess usage of plastic and dangers of its pollution. As an attempt to keep the campus area as plastic free zone the BSC BZC students were divided into groups of four. Each group distributed themselves to different areas on the campus and picked up all the plastic waste present on the college campus on 05-01-2019.
