POLICY DOCUMENT ON DISABLED-FRIENDLY FACILITIES

Policy for disabled-friendly/Divyangan-friendly environment in campus

SCHVPMR Government Degree College is very much committed to provide an inclusive environment in the campus. The Disabled-friendly Committee and Inclusive Cell are in place to sensitize the students on the need for an inclusive environment in HEIs. In line with its vision, the institution cultivates quality human resources endowed with moral and social responsibilities who are sensitive to the issues of the disabled.

Policy Statement

The primary objective of the disabled-friendly policy is to provide necessary assistance to the disabled students by means of creating facilities and sensitizing other students about their needs. This policy is applicable to all the components of the institution and all its stakeholders.

The College envisions an inclusive environment in the HEI campus to promote and ensure support and assistance to the disabled within the campus.

Objectives

- To provide assistance to the disabled
- To encourage visually-challenged students in studies
- To arrange scribes to the visually-challenged during exams
- To extend emotional support to the differently-abled students and staff
