## 24.06.2022 Awareness on Water Conservation in Uppuluru Village

As a part of the Community Service Project, the students went to villages on 24.06.2022 and interacted with the villages, creating awareness on water conservation measures necessary for environmental protection.

We Visited RBK and MineralWater Plant at the village which is Equipped with Electronic card System. Every 15 litre water can cost is 8Rupees. No any man's help to take water But there is a electronic card for every family to open the tap and bring the water.

Dr.G.V.Ramana is speaking with the villagers about the Drinking water Tank and the History of the Village uppuluru

## ODF survey was conducted by NSS Units on 12.09.2018

As a part of Green Initiatives beyond campus, the NSS units conducted ODF (Open Defecation Free) Survey, in Ganapavaram Village. In this Survey I BA students

participated and collected data from all the houses where there are no toilets. The students interacted with the villagers and enlightened them about environmental pollution.
