Department of Physics,

Action Taken Report - Department of Physics 17-18

- Enhancing Field Visits:. The department will take necessary steps to improve and enhance the frequency and quality of field visits, ensuring that students have more opportunities to engage in practical and hands-on learning experiences outside the classroom.
- Incorporating Latest Developments:. The department will actively work towards incorporating more discussions and updates on the latest advancements and discoveries in the curriculum.
- This will provide students with a comprehensive understanding of the subject and keep them abreast of recent developments in physics.
- Student-Centered Methods:. The department will focus on adopting more student-centered approaches, such as interactive sessions, group activities, and problem-solving exercises, to ensure active participation and engagement of students in the learning process..
