

Report on Incubation Center

-Dr. G. Venkata Ramana, IC Coordinator

Incubation Centre (IC) is a space for new age entrepreneurs and young minds to transform their innovative ideas into viable propositions. The Incubation Center was established in the College on 01.08.2019. It has been making sincere efforts to ignite and promote research culture among the rural students studying here.

Objectives:

- To promote research culture among students and staff
- To encourage students to come up with innovative ideas
- To nurture their ideas by supporting in all aspects
- To encourage the faculty to publish research articles and file for patents

IC Committee

- *Dr. G. Venkata Ramana, Dept. of Telugu – Convener*
