❖ **Awareness Program on Cardiopulmonary Resuscitation (CPR)**

The Women Empowerment cell, Department of Social work and NSS Units collaboratively organized an Awareness Program on “**CARDIOPULMONARY RESUSCITATION**” (CPR) ON 06.04.2024. Honorable Principal Dr. P. Nirmala Kumari, presided the program and suggested students to learn and apply of this knowledge whenever necessary. Resource person Dr. P. H. R. Santosh, Civil Assistant Surgeon, Primary Health Centre, Ganapavaram detailed the students on the **Scientific Process of CPR with DEMO**. He advised students to equip with all types of **FIRST AIDS** to help people in critical health conditions. He has given a live example of CI worked in PS, Ganapavaram who died three years back because of no one around him to perform CPR in emergency condition. With the knowledge of first aid, we can protect the lives sometimes, he said. Community Health Officer, community health workers, teaching and non-teaching staff and 120 students participated in the session.
