### Activity: National Pollution Prevention Day

The Departments of Chemistry, Zoology & Eco-Club jointly organized National Pollution Prevention Day on 03-12-2024. Students from I BSc Chemistry and Zoology were involved in removing plastic waste from the campus and educated about the negative consequences of inappropriate plastic waste disposal. Later in the afternoon session Ms.Ponnaganti Bharathi, Ms.Pilli Baby Shalini, Ms.Vaduguri Kumari, Ms.Vemala Gowrishwari of I BSc(Chemistry) gave their talks about preventing pollution using power point presentation. All the I Year students from BA, B. Com & B.Sc. participated in the event.
