Awareness Programme on Short-Term Internship and Community Service Project-07.04.2025

An awareness programme on the **Short-Term Internship and Community Service Project** was organized on 07.04.2025. The event aimed at sensitizing students about the objectives, structure, and benefits of participating in the internship and community service initiatives, which are integral components of the academic curriculum.

Dr. K. Swarupa Rani, Internship Coordinator, successfully coordinated the programme, giving an overview of the guidelines, duration, expected learning outcomes, and the significance of these programs in enhancing social responsibility and practical exposure among students.

The session was presided over by **Dr. P. Nirmala Kumari**, Principal of the college, who encouraged students to actively participate and contribute meaningfully to community-based projects. **Dr. Ch. Chaitanya**, IQAC Coordinator, also addressed the gathering and highlighted how such initiatives align with the institution's goals of holistic education and experiential learning. Faculty members and students from various departments attended the session and interacted enthusiastically during the Q&A.

Field Trip to Chettipeta Mini Hydel Power Station-08.04.2025

The Department of Physics, in collaboration with the Department of Computer Science, organized a field trip to the Chettipeta Mini Hydel Power Station on 08.04.2025 for first-year B.Sc. Physics Minor students. A total of 16 students participated in this educational visit aimed at enhancing their practical understanding of power generation through experiential learning.

The visit was graced by the presence of Dr. P. Nirmala Kumari, Principal, who interacted with the students and appreciated their enthusiasm for learning beyond the classroom. Madam stated, *“Field visits like these are essential for students to move beyond textbooks and gain practical exposure through real-time experiences.”* The students and faculty received a warm welcome at the hydel station by Sri VVNSSR Krishnam Raju, Assistant Engineer, and Mr. Sharief, Junior Engineer, along with the dedicated staff of the power station. They explained the entire process of power generation, including the functioning of turbines, generators, and the control systems in place for effective hydel power management.

The technical tour offered the students valuable insights into the working of renewable energy systems, contributing significantly to their understanding of sustainable energy solutions.

Faculty members who accompanied the students:

- Sri K.V.Ganesh Kumar, Lecturer in Physics
- Sri K. Giribabu, Lecturer in Computer Science
- Smt. A. Swathi, Lecturer in Physical Education

Both faculty members played an instrumental role in coordinating the visit and guiding the students throughout the program. Sri K.V.Ganesh Kumar, Lecturer in Physics coordinated the event.

Key Learning Outcomes:

- Gained hands-on exposure to hydel power generation systems.
- Understood the practical implementation of theoretical physics concepts.
- Improved observation, analytical, and teamwork skills.
- Developed awareness about the importance of renewable energy.

NAVA KALPANA –APRIL-2025

This field trip stands as a successful initiative by the Departments involved, highlighting their dedication to offering holistic and practical education that complements classroom learning.

AmbedkarJayanthi Observed with Service and Respect-14.04.2025

Government Degree College, Ganapavaram solemnly observed **AmbedkarJayanthi** on **14th April 2025** to commemorate the birth anniversary of **Dr. B.R. Ambedkar**, the architect of the Indian Constitution and a champion of social justice.

As part of the celebrations, **NSS Unit-II** undertook a noble initiative by distributing **refreshment kits** to underprivileged children in the local community, reflecting Dr. Ambedkar's vision of equality and compassion. This act of service aimed to instill the values of empathy and inclusiveness among the students.

The event was graced by **Principal Dr. P. Nirmala Kumari**, who addressed the gathering and spoke about the invaluable contributions of Dr. Ambedkar in building a just and democratic India. Madam emphasized the importance of upholding his ideals in contemporary times.

Vice Principal Dr. K. Swarupa Rani, **IQAC Coordinator Dr. Ch. Chaitanya**, and **NSS-II Programme Officer Sri P. Bhaskararao** also participated. Faculty members and students enthusiastically joined the program, making it a meaningful tribute to the great visionary.

Certificate Distribution – English Department Certificate Courses-17.04.2025

The Department of English, Government Degree College, Ganapavaram, organized a Certificate Distribution Ceremony to mark the successful completion of two certificate courses during the academic year. Principal Dr. P. Nirmala Kumari graced the occasion and awarded certificates to the students.

Sri P. Madhurajugaru, the retired Vice Principal of the college, also participated in the ceremony and appreciated the efforts of the department in offering value-added courses to enhance students' skills.

Under the guidance of Dr. Ch. Anuradha, Head of the Department, and Sri Ch. Rajababu, Lecturer in English, two certificate courses were conducted: 'Communication Skills' for II B.Sc. students and 'LSRW Skills (Listening, Speaking, Reading, and Writing)' for II B.Com. students. A total of 40 students, 20 from each group, enrolled and actively participated in these programs aimed at strengthening their language proficiency and employability.

The initiative received appreciation from all dignitaries for its role in preparing students for academic excellence and professional success.

Swarna Andhra – Swachha Andhra” Initiative- Seminar on E-Waste Management-19.04.2025

As part of the “Swarna Andhra – Swachha Andhra” campaign, the Department of Social Work, under the guidance of Principal Dr. P. Nirmala Kumari, organized a seminar on E-Waste Management on 19th March 2025. The program aimed to sensitize students on the importance of responsible disposal of electronic waste and its implications on environmental health.

The seminar featured Sri K.V. Ganesh Kumar, Lecturer in Physics, as the resource person, who delivered an informative session on the sources, risks, and management of e-waste. He emphasized the need for individual responsibility in reducing electronic waste and adopting sustainable technological practices.

Dr. G. Venkata Rao, Lecturer in Social Work and coordinator of the program, motivated students to take part in environmental preservation activities. A Swachh Andhra Pledge was administered to all participants, reinforcing their commitment to a cleaner and greener Andhra Pradesh.

The event was actively supported by Vice Principal Dr. K. Swarupa Rani, IQAC Coordinator Dr. Ch. Chaitanya, faculty members, and students, who all contributed to the success of this meaningful initiative.
