Report on One-day workshop on Medical Coding and Career Opportunities at Government Degree College, Ganapavaram, 03.09.2025

A one-day workshop on “Medical Coding and Career Opportunities” for science students at Government Degree College, Ganapavaram, West Godavari was successfully organized on 03 September 2025. The event was jointly organized by Thought Flows Organization, Science Association and the Internal Quality Assurance Cell (IQAC) of the college.

The workshop was inaugurated under the chairmanship of Dr. P. Nirmala Kumari, Principal of the college and Chairperson of the workshop. Co-Chairperson Dr. K. Swaroopa Rani, Convener and IQAC Coordinator Sri K.V. Ganesh Kumar and Co-Convenor Sri N.V.N.B. Srinivasa Rao played a key role in coordinating the event. Dr. Ch. Chaitanya served as the Organizing Secretary.

Resource persons Ms.Sabiha (Trainer, Thought Flows), and Ms.Supraja (HR Manager) addressed the gathering. They emphasized that medical coding is emerging as an important career path in today’s global healthcare system, offering opportunities in India and abroad. They encouraged the students to equip themselves with the skills required to succeed in this field. They highlighted the growing demand for trained professionals in the field of medical coding and the wide range of career opportunities available to science graduates in healthcare and allied industries.

Around 100 students from nearby government degree colleges Pentapadu, Narayanapuram, Eluru, Jangareddygudem, Bhimavaram and Ganapavaram participated in this meeting. The committees for the smooth conduct of the workshop included faculty members-Dr. G. Venkat Rao, Dr. G. Venkata Ramana, Dr. Sk. Parveen, Dr. G. V. Saradadevi, Dr. Ch. Anuradha, SK. Moin Ansari, Sri. P. Bhaskar Rao, Sri. Ch. Rajababu, Sri. S. Venkanna, Smt. B. Ranidurga, Smt.A.Swathi, Smt.Shanthi, Sri.P.V.Ramesh Babu, Sri.Prasad , J.K.C Mentor and all non teaching staff members etc. All the staff members actively participated in various activities.

Principal Dr. P. Nirmala Kumari in her concluding remarks said, “Workshops like this bridge the gap between academics and industry, equipping our students with knowledge and confidence to explore emerging career paths.” The college management and the Thought Flows team expressed their commitment to continue organizing such knowledge-sharing programs to empower students with relevant career-oriented skills.
