A BRIEF REPORT

The Department of commerce organized a one-day Educational Field Trip to Sacred Godavari River near Vainateya Paadam, Yanam Bridge surroundings, Coringa Mangrove Forest (మడ అడవులు) Kakinada

Beach on 29th January 2026 with the objective of providing students with experiential learning and exposure to advance academic and research environments.

The programme was conducted under the leadership of the Principal, Dr. P. Nirmala Kumari, and the Vice Principal, Dr. K. Swarupa Rani, who encouraged the conduct of academic field visits as part of holistic education.

A total of 34 students (12 boys and 17 girls) participated in the field trip. The programme was coordinated by Sri.S.venkannababu Lecturer in Commerce & Sri.P.V Ramesh babu, Lecturer in Computer Applications, who served as the Field Trip Co-coordinator.

We, also extend our sincere thanks to Teaching staff - Dr. G. Venkata Ramana, Lecturer in Telugu, Dr. G. Venkata Rao Lecturer in Social work, Sri.P. V. Ramesh Lecturer in Computer Applications, Sri.Prasad J.K.C full time mentor, Sri.Venkatesh Lecturer in Physical Education and non teaching staff- Sri. Adinarayana , Sri. Deva for their continuous monitoring, valuable guidance, and support throughout the field trip. Special thanks to all of them for kindly arranging food, snacks, and tiffins, ensuring the comfort and well-being of students and staff.

Once again We, wholeheartedly thank our beloved Principal Madam for her constant encouragement and support.

Conclusion

The field trip was highly informative and educational. It provided firsthand knowledge of natural resources, environmental conservation, and the interaction between humans and nature. Visiting the Godavari River, Yanam Bridge, Coringa Mangrove Forest, and Kakinada Beach

enhanced our understanding of ecological balance and sustainable development. Such field trips are essential for holistic education and help students connect theoretical knowledge with real-world experiences.
