Report on Plantation Programme

Date: 09-02-2026

Venue: SCHVPMR Government Degree College Campus, Ganapavaram

Organized by: Eco-Club

The Eco-Club of SCHVPMR Government Degree College, Ganapavaram successfully organized a Plantation Programme with the objective of promoting environmental awareness, enhancing green cover, and instilling a sense of responsibility towards nature among students.

The programme was conducted under the able leadership of Dr. P. Nirmala Kumari, Principal, who inaugurated the plantation drive by planting saplings in the college campus. In her address, the Principal emphasized the importance of tree plantation in maintaining ecological balance, conserving biodiversity, reducing pollution, and combating climate change. She encouraged students to actively participate in environmental protection activities and to nurture the planted saplings for a sustainable future.

Following the inauguration, staff members and students enthusiastically participated in the plantation activity. Around 35 Various saplings of flowers, ornamental, and shade-giving plants were planted at different locations across the campus. Faculty members guided students on proper planting techniques and the importance of regular care and maintenance of plants.

Students actively involved themselves in digging pits, planting saplings, watering, and protecting the young plants. The programme not only enhanced the greenery of the campus but also strengthened teamwork and environmental responsibility among the participants.

The plantation programme concluded with a pledge by students and staff to protect trees and contribute towards a clean and green environment. The event was a great success and reflected the institution's commitment to environmental conservation and sustainable

development.
