REPORT ON CYBER CRIME AWARENESS PROGRAM

DATE: 04-03-2026

The Women Empowerment Cell (WEC) of SCHVPMR Government Degree College, Ganapavaram, in collaboration with the Integrated Child Development Services (ICDS), Women and Child Welfare Department, organized an Awareness Program on Cyber Crime to educate students about the growing threats and preventive measures related to cyber crimes.

The program was presided over by the Principal, Dr. P. Nirmala Kumari Garu. The event was coordinated by WEC Coordinator Dr. Ch. Anuradha Garu and WEC Member P. Balamanikanta Garu.

The distinguished resource persons for the program were:

1. SI Manikumar Garu, Department of Police
2. GBB Vijayalakshmi Garu, ICDS Women and Child Welfare Department
3. G. Chandravathi Garu, ICDS Women and Child Welfare Department

The Principal, Dr. P. Nirmala Kumari Garu, addressed the students and emphasized the importance of awareness, responsible digital behavior, and safeguarding personal information in the digital era.

SI Manikumar Garu delivered an informative session on various types of cyber crimes such as online fraud, phishing, cyber bullying, identity theft, and social media scams. He shared real-life incidents and explained how negligence and lack of awareness can lead to serious consequences. He also guided students on precautionary measures and how to report cyber crimes through official channels.

GBB Vijayalakshmi Garu addressed the students and highlighted the role of government departments in protecting women and children from cyber exploitation. She encouraged students to be vigilant and responsible while using digital platforms.

G. Chandravathi Garu also spoke about the support systems available under the Women and Child Welfare Department and motivated students to seek help without hesitation in case of cyber harassment or online threats.

The Vice Principal and IQAC Coordinator also addressed the gathering and appreciated the initiative taken by the Women Empowerment Cell in organizing such a relevant and timely awareness program.

A total of 60 students actively participated in the program. The session was interactive and informative, and students expressed their appreciation for the practical knowledge shared by the resource persons. The program concluded successfully with a vote of thanks, reinforcing the importance of cyber safety and digital responsibility among students.
