**CIRCULAR**

14 April, 2026

Adikavi Nannaya University, was established on 22 April, 2006, to fulfill the needs of higher education in the Godavari region. Every year, 22 April is observed as the Foundation Day with great enthusiasm and institutional pride.

As the University marks its twentieth year of establishment this year, it is proposed to commemorate this significant milestone in a participatory manner by involving all affiliated colleges in the celebrations. In this connection, all the Principals of affiliated colleges are requested to undertake the following activities in their respective institutions:

1. Each college shall plant a minimum of twenty (20) saplings within the campus premises as part of a green initiative symbolizing growth and sustainability. Geotagged photographs of the plantation activity must be documented and submitted to the University.
2. If applicable, the Principals of the affiliated colleges should organize plantation drives in their respective colleges and plant 20 saplings in the adopted villages of the respective College under the coordination of NSS POs and Volunteers. The activity must be documented with geo-tagged photographs.

A banner template for the above activities has been provided for reference and may be suitably adapted by the colleges.

All institutions are requested to ensure active participation and to complete the activities in a spirit befitting the academic and cultural ethos of the University. The reports and required documentation shall be submitted on or before the evening of 18<sup>th</sup> April, 2026. Treat this as important and mandatory.
