World Water Day-2026 Programs Conducted at SCHVPMR Government Degree College, Ganapavaram

DETAILED REPORT

On the occasion of World Water Day, SCHVPMR Government Degree College, Ganapavaram organized a series of awareness programs aimed at promoting water conservation and sustainable usage among the community. The program was conducted under the guidance of the Principal, **Dr. P. Nirmala Kumari**, who emphasized the importance of water conservation as a collective responsibility. She highlighted that such awareness initiatives play a crucial role in bringing positive behavioral changes in society. As part of the event, students actively participated in an **awareness rally** conducted in and around Ganapavaram. They raised impactful slogans such as “Save Water – Every Drop Counts” and “Water is Life,” thereby spreading awareness among the general public about the importance of conserving water resources. In addition to the rally, an **outreach program** was carried out in the nearby community. Students visited households and interacted directly with residents, educating them on simple and practical methods of water conservation. Key topics included avoiding water wastage, fixing leakages, adopting rainwater harvesting techniques, and practicing efficient water usage in daily life.

The students also distributed **informative pamphlets** to the public, which contained useful tips on saving water at the household level. This initiative helped in reinforcing awareness and encouraged the community to adopt water-saving habits. The program was coordinated by **Dr. Ch. Chaitanya**, Lecturer in Botany, and **Dr. Sk. Parveen**, Lecturer in Zoology. The **NSS Programme Officers**, **Dr. G. Venkata Ramana** and **Sk. Moin Ansari**, played a key role in organizing and successfully executing the activities. Faculty members **Dr. G. Venkat Rao**, **S. Venkanna**, **Venkatesh (Physical Director)**, and **Dr. G. V. Sarda Devi** actively participated and supported the program, motivating students throughout the event. The initiative

witnessed enthusiastic participation from students, who demonstrated a strong sense of social responsibility and commitment towards environmental conservation.

COMMUNITY AWARENESS PROGRAM
DATE: 28.03.2026

Every Drop Counts

Take Action Now to Conserve Water for Future Generations

Turn Off the Tap:

- Don't let the water run while brushing your teeth or washing dishes.
- Fix any leaking faucets to prevent unnecessary water waste.

Use Water Wisely:

- Choose water efficient appliances and fixtures.
- Water your plants early in the morning or late in the evening to minimize evaporation.

Reuse and Recycle Water:

- Collect rainwater for gardening and other outdoor uses.
- Use greywater systems to recycle water from sinks and showers.

Educate and Support:

- Educate others about the importance of water conservation and protection.
- Support policies and initiatives that aim to protect our water resources.

Water is Precious

నీరే జీవనాధారం

మానవ దేహంలో ప్రాణం మనిషి మనుగడకు ప్రాణాధారం.
 సృష్టి గతులకు మూలాధారం.
 ప్రతి జంధారం నాడుపు శేడ్డాం.
 భారతంలకు భవిష్యత్తు ఇడ్డాం

ప్రతి నీటి బొట్టు ప్రగతికి మెట్టు

జల వనరులు పెంచినప్పటికీ పునరుద్ధరణ ప్రగతి సాధ్యం.

DEPARTMENT OF ZOOLOGY
AND ECO CLUB

WASTE WATER REUSE AND INNOVATIVE PRACTICES IN THE COLLEGE

The water that flows excess from the overhead tanks, waste water from wash area taps are redirected to gardening purposes. The college has taken a new initiative to grow banana plants and the fruits are distributed to all the students when ripe.

Overall, the program was successful in creating awareness about the importance of water conservation among the local community. It also strengthened the bond between the institution and society by promoting active student engagement in community service. The college expressed its commitment to continue such outreach activities for sustainable development and environmental protection.
